57	I like the small town feel of the local community that Bel Air used to have. I shop at Shoprite for groceries, participate in the CSA at Brad's every year and try to support local businesses like Broom's Broom and the shops on main street. I go to the farmer's market and local events when I can. Healthcare has seriously gone downhill in the area. Trying to get prompt appointment with a qualified doctor has become impossible. When you need to see a doctor and the first available appt. is in 3 months, something has to change. I have to pay for a direct access PCP so that I can take care of my health and obtain my medication in a timely manner. I get my prescriptions at Walgreens but the delays and drive-through lines have been increasing frustrating. The businesses can't seem to handle the amount of people moving into the area.	7/23/2026 8:38 AM

63	We AVOID Upper Chesapeake at all costs. We drive to St Joseph Medical Center whenever possible for medical care. Our school is great- the elementary one was better community oriented & we miss that. Middle school should absolutely be just as event oriented. We love our small	7/21/2026 8:45 AM

	businesses in town & but all sorts of needs and wants. Our favorite events are the art fairs & now that the kids are older we're trying to get to more music events! We volunteer with & support local non profits. It would be nicer to see better bridges built between local money & services alongside these groups.

292	Leave Harf Co for retail shopping and entertainment. There is not a single dept. store in this county - disappointing. As a result, I got to Christiana for retail shopping, and because I'm there, I end up spending money or groceries (where there is a trader joes within mins. of Macys / Nordstrom) and Costco - which is there, to include large ticket items. Don't you want to keep my dollars in the community? Give me options to do so, right now, you have left me with no choice. I realize retail shopping has changed majorly since covid, but you didn't pivot with the change. Also - what are you going to do if APG closes this base and the civilian jobs go - you need to reinvent yourself (tech jobs / AI / ag?)	7/20/2026 7:00 PM

303	Definitely hospital (UND Upper Chesapeake has a terrible rating and reviews). I’d rather travel to UMD St Joseph for medical care! Also used private schools because my school district is horrible! It’s a shame that people have no choice and that children travel farther from their homes to schools instead of schools that are closer. In our area kids cross 95 and Route 40 to attend middle and high school when there is one so much closer and better. Something needs to be done with the Edgewood school district and children should not have to travel so far for school. If you stop building in the area	7/20/2026 5:37 PM

	students wouldn't have to travel so far and could attend schools closer to their homes and not cross major roads to get there. Our school system is suffering and our healthcare in Harford County is terrible!

Nice, open air malls and shopping centers are very popular. look at the Avenue in White Marsh, or stores relocating from inside Towson Mall to nearby storefronts. There should be a priority for wide sidewalks, landscaped buffers between parking and side walk areas, etc.	7/20/2026 4:59 PM

36	Harf Co location is one of its biggest strengths - can be to Mountains, Ocean, DC, PHyilly, NYC all within 2 hour drive. Having an Amtrak station in Aberdeen is big - you don't market that enough. I appreciate the conservative values, I'm talking morals and not politics - continue to prioritize 2-parent heterosexual households, which is not a slight to anyone who is not that, don't let big brother push you to the liberal agenda (and I'm black by the way, not all black folks are liberals). Lastly, I generally feel safe anywhere in Harf Co. to include the areas I've been warned not to visit, like Edgewood.	7/20/2026 7:00 PM

19	Crime in certain parts, poor transportation infrastructure in some parts, and car centric development	7/23/2026 11:50 PM
20	There is entirely too much building going on. The roads can't handle what has been going on. Entirely too many tractor trailers around here. Not enough police presence. The crime from the county and city moving this way needs to be under control. It is bad.	7/23/2026 10:01 PM

44	Over building homes	7/23/2026 1:39 PM
45	Accessibility - lack of sidewalks is really bad. We need to welcome more large businesses, so my money can stay in the county. We need more public transport. But just importantly, we need "missing middle" housing. Not just giant homes or small condos restricted for elderly populations. More duplexes, small multifamily, shared living, etc.	7/23/2026 1:29 PM
46	Over development, need more doctors/medical facilities, lack of retail shops, poor road conditions, too much traffic	7/23/2026 1:20 PM
47	Decreasing green space in BelAir, Edgewood, Aberdeen, Abingdon, Fallston. But for some reason the development stays away from Churchville, Dublin, North Harford. Hmm maybe cause most of the county council and higher ups in the county have lived there except for the current CE. Just seems fishy to me.	7/23/2026 1:17 PM
48	Traffic infrastructure Solar farms Corrupt politicians Division among politicians CRIME	7/23/2026 1:03 PM
49	There are too many people and cars. We need to stop development of residential and commercial properties. There are plenty of vacant properties. Additionally, the infrastructure, particularly roads, cannot support more people.	7/23/2026 12:52 PM

55	School budget, overcrowding in schools, disparity of economic classes	7/23/2026 10:05 AM
56	Crime and safety concerns from large apartment complexes and large housing development. Too much development, losing the rural, agricultural feel of the county, losing natural resources, not protecting wildlife. Protect the integrity of this county.	7/23/2026 9:56 AM
57	School funding which will affect school quality; overbuilding of housing, especially apartments.	7/23/2026 9:47 AM
58	Infrastructure with roads. The roads cannot handle the amount of construction. Hospitals cannot handle more patients. Schools are overcrowded and not funded.	7/23/2026 9:25 AM
59	School capacity and new school to accommodate for the growth.	7/23/2026 9:10 AM
60	Overdevelopment, traffic	7/23/2026 8:59 AM
61	Overdevelopment!!! I want to live in the Harford County that my family moved here for. I want to keep the local farms farms and keep big developers, data centers, and solar farms OUT	7/23/2026 8:55 AM
62	Over crowding and too much building. More people means increased traffic, more accidents, increased crime and less	7/23/2026 8:38 AM

	resources. All of those things are happening now. I fear Bel Air will become like Towson very soon.	
63	Too much building	7/23/2026 8:38 AM
64	I think the schools are horrible. My family chose to homeschool all my boys after trying public school. Its gotten worse after COVID. Kids (teens) need more areas they can be kids and hang out without getting in trouble they are forced to just walk around stores or meet up at parking lots. Also working to add more hospital type facilities. Upper Chesapeake is over run and staff is over worked.	7/23/2026 8:20 AM
65	Managing the increasing need for Fire and EMS services plus keeping development within the Development Envelope. There is sufficient capacity for redevelopment. Also, need to mitigate multiple car crashes and fatalities. Folks need to SLOW down.	7/23/2026 7:29 AM
66	The disproportionate underachievement of students living in economically disadvantaged areas. There is a direct correlation between poverty, race and achievement in Hartford county. That is a result of a disproportionate concentration of people, experience, poverty in pockets of the community. there needs to be public, transportation and housing opportunities throughout the county for those with low income. We may need to consider redistricting schools, so that there is more proportionality in the demographics make up of it students.	7/23/2026 6:36 AM
67	There is way too much development of farmland and a rush to build houses when the school infrastructure is not there. Supporting county schools is lacking!!	7/23/2026 5:54 AM

78	Overgrowth, new housing, not enough quality shopping	7/22/2026 6:27 PM
79	Development cohesion. When we build, we build in farm, forest, and wetland, and we spurn developing and redeveloping our existing urban and suburban areas. We need to truly maintain our envelope, but also upzone most if not all of the envelope to ensure it need not expand again.	7/22/2026 5:40 PM

80	developers pushing projects the citizens do not want or need. The development envelop should be closed except for redevelopment. Save our remaining farms and open land.	7/22/2026 5:31 PM

82	Too much devolpment, too much low income housing, crime in those areas	7/22/2026 4:46 PM
83	Traffic, crime, housing affordability	7/22/2026 4:05 PM
84	More housing than we can support, i.e., traffic, parks, noise, overly bright lighting. Commercial and industrial adjacent to housing without sufficient buffering of the items above.	7/22/2026 3:06 PM
85	Growth and the destruction of what is left of farmland. I grew up here and it devastates me when I see the loss of what made our country rural.	7/22/2026 2:41 PM
86	Over-development and loss of the uncrowded streets and byways. Route 22 is a disaster from 3PM until 7PM.	7/22/2026 2:27 PM

92	Overdevelopment, traffic,	7/22/2026 1:07 PM
93	Updated Schools/competitive facilities, transportation on weekends	7/22/2026 1:00 PM
94	Lack of housing and job growth. Next generation of kids are moving away for jobs and more affordable housing.	7/22/2026 12:20 PM
95	Keeping taxes low, high energy and water costs, keeping Annapolis policies out of Harford County, including high rises, ADUs, low income "affordable" housing, sanctuary city policies.	7/22/2026 11:55 AM
96	Our government officials spending more time arguing and not working for the people	7/22/2026 11:40 AM
97	Infrastructure is not sufficient to meet needs.	7/22/2026 11:07 AM
98	Over development without related improvements in infrastructure. Public schools not preparing students for careers or college. They are getting caught up in silly social issues, rather than focusing on rigorous academics. Behavioral expectations are sadly compromised, student accountability and consequences are not enforced. This does not prepare students for careers or college, as they lack basic self-discipline and lack the ability to follow directions, rules, or guidelines.	7/22/2026 10:39 AM
99	Harford County’s most pressing challenge today and in the future is managing growth responsibly. Recent solar farms, data centers, and large developments near Harford Mall are examples of projects that appear to be driven more by profit than by the needs of current residents. These developments will only make Bel Air’s (and surrounding areas) already disastrous traffic worse, while roads, schools, utilities, emergency services, and other infrastructure are not keeping pace. Too often,	7/22/2026 10:25 AM

	decisions seem to favor short-term financial gain over long-term planning, with little regard for the loss of open space, farmland, environmental damage, or the overall quality of life for existing residents. Harford County needs sustainable, well-planned growth—not unchecked development that creates lasting problems for the community.

103	Crime in Aberdeen / route 40 corridor. The investment in infrastructure is not keeping pace with development. i.e. schools, teachers leaving for Cecil and Baltimore counties, quality of care and reputation of Upper Chesapeake,road work and improvements.	7/22/2026 9:28 AM

119	Infrastructure Overdevelopment Solar “Farms”	7/22/2026 4:39 AM

120	Overcrowding, traffic congestion, too many new housing developments, roads are not suitable for so many people, crime is increasing, too much greed from developers, untrustworthy government officials and sheriff. Also if halting construction is out of the question the architectural flow of the buildings and housing should match and compliment one another. There should be standards in appearance especially in downtown bel air.	7/22/2026 2:10 AM
121	I don’t feel as safe as I used to in Harford County.	7/22/2026 1:17 AM
122	Over development, traffic, warehouses-solar farms-data centers that impact the community but don’t benefit them, crowded schools, destruction of farms and wildlife habitat , change of view shed, toxic politics, lack of necessary funding to critical needs like schools, stormwater runoff, replacing local businesses with only chain stores, replacing of small town community feel with transient residents that are not invested in long term health of communities	7/22/2026 1:16 AM
123	Ever increasing home tax assessments, traffic congestion, increase in number of Apartments in Fallston and neighboring areas as that always leads to an increase in crime. Harford county now sounds like Baltimore City with all the police and ambulance sirens going off so frequently now.	7/21/2026 11:42 PM

183	Overdevelopment, unaccountable entities receiving County funding, utility costs, government overreach	7/21/2026 6:30 PM
184	Harford County’s most pressing challenge is the rapid overdevelopment that continues to consume our remaining open space and productive agricultural land. Large housing projects, warehouse complexes, and utility-scale solar farms are	7/21/2026 6:29 PM

	replacing the rural landscapes that define our county's identity and long-term sustainability. This pace of development is overwhelming infrastructure, increasing traffic congestion, straining schools and public safety, and degrading our natural resources through loss of tree canopy, stormwater runoff, and watershed impacts. If Harford County does not adopt stronger land-use protections and a more disciplined approach to growth, we risk permanently losing the farmland, open space, and rural character that make this county unique — and we will pass the financial and environmental consequences of sprawl on to future generations.	
185	Maintaining what is here while growing and adjusting for the future. Havre De Grace always feel like it is on the cusp of becoming somthing great. Bel Air is already a wonderful place. What can be the next destination for similar experiences. Could it be downtown Aberdeen for example? Creation of jobs or businesses is always a buzz word but what could be done is to create business incubators that extend beyond the small shop face. I have businesses interests that are based in Florida, Delaware and Germany primarily due to the state tax situation.	7/21/2026 6:19 PM
186	Development of homes,apartments and costco. Too much traffic too congested. No to solar farms and AI data centers	7/21/2026 6:15 PM
187	Over development, the loss of farmland, open spaces and traffic congestion. Development is out pacing the ability for school system's ability to grow to provide the classroom needs for all students	7/21/2026 5:51 PM
188	I believe the most pressing challenges is the pressure to develop. Whether that be housing developments, data centers, solar farms or corporate offices. We need to have smarter decisions in our decisions such as - utilizing color as arming coverage rather than taking valuable farm land.	7/21/2026 5:20 PM

195	keeping development focused where infrastructure is available, but making sure people want to live in those areas. there's no point of a development envelope if no one wants to live there. rural areas continue to see sprawl and housing growth because people want to move out of the towns and into the county, but then they want more services and the commercial uses follow them. we're used to driving 30 minutes to get to big box stores, we don't need them closer to us. but new people move out of town and expect to have all the same amenities within a short drive	7/21/2026 4:32 PM
196	I hope that Harford County will curb the development of apartment buildings. Apartment buildings are flooding the schools with students and the roads with cars. People who own homes have more roots in the community and care about it. I think a challenge will be to create access to the community for people who cannot drive, especially seniors. I am also concerned about the schools. I know several teachers who have left the school system for their own personal safety. The teachers are being instructed that if a student is hitting or kicking them, the teachers are to put their hands behind their backs and not defend themselves. Who will work in that environment? I also feel sorry for students who are constantly being evacuated into the hallway because a student in their room is "having big feelings" which means being wild, disruptive, and throwing things. It's not right that the children who behave have to suffer because one child is acting out. Also, I hope that our farmers will be able to keep the farms that have been in their families for generations.	7/21/2026 4:31 PM
197	The Cassilly administration is destroying at least one of the county's most important features: its public education system.	7/21/2026 4:26 PM

Libraries will be the only place that is free (+ free parking), allow you to stay all day, cold in the summer, warm in the winter, protection from weather and air quality issues. Libraries are small, wonderful, but limited spacing and even smaller space for teens to be able to gather. With the loss of the Mall will you expand the libraries or try to create an indoor space for people to just be (meaning there is no cost or expectation to stay).	7/21/2026 1:37 PM

Which leads to needing more resources for homeless. This is a big problem all over , it will soon be here too.	7/21/2026 1:16 PM
235	TRAFFIC ON 152! We need more hospitals..the ER wait time and time to get a bed is absolutely unacceptable, Piecemeal Development without adequate public facilities. All of that needs to be redefined and the County council needs to put legislation in to modernize the zoning categories and what can be built in them. Comprehensive Senior housing communities similar to Oak Crest etc..and not shoved in some crappy route 40 location. Property crime, lack of meaningful parks that have fields, courts, skate parks, and yes, gasp, public pools- both indoor and outdoor ones, smaller and more schools- who thinks 1000 kids in an Elementary school is okay..who thinks 1700-2500 kids in a high school is okay?	7/21/2026 1:15 PM

247	I think Bel Air and the surrounding developing areas are becoming too crowded and too "corporate". Chain businesses are taking over properties too frequently. Most of which are unhealthy, like a new chic-fil-a or chicken tender store, or a new arby's. I don't see how any of these developments will positively contribute to a Healthy Harford plan. I know it's not going to be entirely the county government's fault for a lack of local businesses, but I have to wonder why the markets are one of the only opportunities we have to shop local. Not everybody knows how to, wants to, or can afford to buy healthy/local products and then incorporate them into their lifestyle at home or when they want a healthy meal. I have noticed over the past decade, all the new housing (apartments) that are being built. Yet, very few advancements to our infrastructure are improving to support the people living there. For example, the intersection on Rt. 1 where the new sheets was built has had two complexes built within the last two years but there is hardly a sidewalk, and no crosswalk, on the same side of the road where the grocery store is, less than a mile from the older complex. I believe that the political and racial tension that Maryland in Harford pose risks to our citizens health. When really, our diversity and range of occupations, infrastructure, and culture is an amazing opportunity to build community, strengthen relationships among our rural and urban structures, and become an example of a diverse, thriving county/area. Similarly, living in Bel Air, I am very aware of everyone's interest in Baltimore City's infrastructure and how they believe Baltimore impacts our lives up here. There is racism and prejudice that is extremely layered, and definitely not one person's fault. But a brief take from me is that Baltimore City is villainized here, and people are afraid of being close to Baltimore, and that creates more division.	7/21/2026 11:57 AM
248	Overdevelopment (mainly residential) led by greed and not grounded in actual community need. We risk overcrowding our schools and roadways and taking away the green spaces that make Harford feel like home.	7/21/2026 11:32 AM
249	Poor planning; allowing well water dependent neighborhoods to be surrounded by radically upzoned CI parcels. In addition, allowing businesses that utilize hazardous chemicals to be in close proximity to private wells. Plus, allowing a business that uses known volatile organic compounds to build a well in the development envelope. That in itself is duplicitous. It's clearly stated in Harford County public information that any business in the development envelope utilizes public water and sewer. What happened? This is a prime example of local government not protecting existing citizens, with no accountability.	7/21/2026 11:19 AM
250	Over development	7/21/2026 10:56 AM

251	Overdevelopment causing road congestion. Rising cost to live in Harford County property taxes water sewer have all increased.	7/21/2026 10:37 AM
252	Over population/development. Crime. Liberal school system.	7/21/2026 10:22 AM
253	Controlling growth. I am not against growth, but it needs to the in the right locations and appropriately sized. Too often, new developments are too big and do not include adequate green space.	7/21/2026 10:21 AM
254	Keeping development contained in the envelope. Work with Federal Government to develop greater access to water for Harford County... we're at the head of the bay and have the least water-centric culture of any county on that touches the Chesapeake	7/21/2026 10:18 AM
255	Overpopulation	7/21/2026 10:14 AM
256	Infrastructure to support the housing explosion, paid Fire Department, another Hospital, more schools to reduce over crowding....Route 22 being a parking lot since it's only 2 lanes and runs across the county and everyone uses it	7/21/2026 10:08 AM
257	Over development - Housing and Data Centers. Improved infrastructure like more roads whether local or county roads. Cost of water and electricity. Method of paying property taxes should not have such a high processing fee for credit card and debit card payments!	7/21/2026 10:00 AM
258	Hiring enough employees for smaller business. Housing is getting expensive and there are too many housing	7/21/2026 9:50 AM
259	No more apartments the traffic is insane. That is why I take the backroads to Hunt Valley vs Bel Air. Now your building 289 apartments where the mall use to be. That’s poor planning. It will also bring crime and everything else to BelAir. We’re becoming the new White Marsh.	7/21/2026 9:10 AM
260	Too much building	7/21/2026 9:01 AM
261	Not fully funding education and starting dumb online fights like a child. Idiotic representation like Bare Minimum Bob threaten our future & our children’s future. Act like adults. Overexpansion when there are empty buildings everywhere is mind boggling. Why are we building new when there’s literal spaces available?? We also need to be putting in solar everywhere we can to reduce demand on the grid and help better serve our community with energy flexibility for the future. If we are at the whim of big energy, no one wins. Preparing ahead for options is a huge leg up for our communities. Legislating new solar to support and offset new buildings that aren’t using current spaces would reduce demand for new & ensure those willing to build that they’re doing their part to support the future. Finding affordable housing in another huge issue. I’ve been trying to convince my sister to move home to help with my aging parents but she simply can’t afford the wild rent these “cheap” apartments want. I couldn’t either if I were in her circumstances. We need more young adults & young families- if they can’t afford to live here they’re not going to shop & visit. We really need more transparency in our government as a final note. I’m so sick of petty online back & forths. Online transparency about major county transactions & projects, general amounts spent on government trips & food & events would help solidify a lot more trust. It’s far more mature than finger pointing & accusations & twisting statistics to make one side look right. Anyone with a high school education knows better & you all look like ignorant fools. Do better.	7/21/2026 8:45 AM
262	The influx of building apartments, congestion on our roadways, re-purposing agricultural land to business or habitational properties, crime	7/21/2026 8:43 AM

277	LEADERSHIP. Cassilly is doing great but recent county council decisions on spending, growth and education by a select few is alarming. Also: Infrastructure. No growth without infrastructure being in place, first. Roads, water, sewer, electric THEN build.	7/20/2026 11:25 PM

280	Too much development, the roads and schools aren’t equipped to take on more but they keep building more and more houses. Traffic near Chick-fil-A in Forest Hill is always congested and backed up but they are building about 70 homes right down the street. A few years ago they added in the apartments. This is happening all over the county and is taking away the rural feel.	7/20/2026 11:12 PM

	environment, which has very negatively affected infrastructure. We don't want more apartments in areas with two-lane roads that can't handle the increased traffic, but it doesn't seem to matter what county residents want. The county has also allowed the destruction of habitat, including habitat that should have been protected, which is extremely disappointing and also not what most people want. It seems that those in leadership roles have forgotten that safety and the well-being of the people and the environment we're entrusted with protecting matter more than allowing developers to make money.

320	Over development and section 8 housing. It's almost like the county is intentionally trying to shift from red to blue. Greedy politicians doing backroom deals like the proposed data center selling out our community.	7/20/2026 7:03 PM
321	too much development, horrible traffic	7/20/2026 7:00 PM
322	Keeping our water clean, managing the pollution coming in from Ohio and PA to keep our citizens healthy, affordable housing, become more cultured (which doesn't mean liberal) - be more inclusive and opened minded about different cultures	7/20/2026 7:00 PM
323	Too many apartments built, uncontrolled building without thought on how it affects the roads and even the hospitals with this increase. Building anywhere there's open land. Devastating to see the land tore apart at Plumtree and Bel Air South Parkway. Way too many fast food outlets built	7/20/2026 6:56 PM

324	Increasing housing costs	7/20/2026 6:49 PM
325	Over development. Too much section 8. Over population!! We do NOT need bus lines because they bring in crime & undesirable populations to ruin the county. Back room good Ole boy deals selling out our county like the proposed data center AND selling to developers from other states who could care less about harford. Like the ones who are ruining the harford mall right now. Commercial leasing prices/rent are way too high for small businesses to be successful. Schools are over crowded. The school district is corrupt and firing/black balling good teachers! E do not need to become Towson!	7/20/2026 6:48 PM
326	Infrastructure due to over development	7/20/2026 6:36 PM
327	Over development which causes too much traffic, keep Harford County rural with intact farms!	7/20/2026 6:17 PM
328	Data centers, over development and lagging road infrastructure	7/20/2026 6:14 PM
329	Data centers. We should not be developing data centers in Harford County. Not only is it bad for agriculture, it's also bad for environmental health.	7/20/2026 6:11 PM
330	Residents are afraid of change - Harford County is growing in popularity and we should strive to welcome people into our community, not push them away. High density housing and commercial businesses - large and small - will be key to our future.	7/20/2026 6:09 PM
331	Over development	7/20/2026 6:05 PM
332	Budget cuts to education is destroying the schools. We stay in harford county because of the quality of the schools. I have seen a significant decline in quality in the past few years. More kids in each class, less teachers, less activities like music and art being supported. Housing, we are continously adding more houses, apartments, etc. We don't need them, it's overcrowding or schools, adding traffic, and with increased people it results in increased crime.	7/20/2026 6:05 PM
333	Solar farms on agricultural land, mega data centers, shifting populations due to high density housing in certain parts of the county	7/20/2026 5:45 PM
334	Over crowding- neglected roads- one hospital with poor ratings to accommodate a growing population. Poor schools. Too many new housing developments. Crowded roads	7/20/2026 5:37 PM
335	Data ctrs, solar, having an ER & a pediatric ER, e-bikes, illegal immigrants that raise crime, keeping small business, responsible tourism	7/20/2026 5:36 PM
336	Rapid urbanization, population growth, heavy traffic on 24, 924, Baltimore pike	7/20/2026 5:33 PM
337	Updating Joppa,Joppatowne with nice restaurants business	7/20/2026 5:30 PM
338	Over built housing development	7/20/2026 5:30 PM
339	threat to the peaceful way of life and poor use of our currently developed land. the incident in fallston on the fourth is a perfect example of threat to peace. a party like that shouldn't even happen. we also have so many vacant buildings with empty parking lots that developers should either be required or incentivized to pursue. all new parking lot developments should have infrastructure in place to support solar ILO allowing it to be put on an land.	7/20/2026 4:59 PM
340	Over development of green spaces	7/20/2026 4:54 PM
341	Making tough decisions based on the the communties wants and needs vs the politicians wants and needs. Not following the money can be a difficult but necessary decision.	7/20/2026 4:52 PM

343	Congestion and over development	7/20/2026 4:41 PM
344	Overdevelopment outside development envelope Traffic Affordable housing Solar/database threat Not utilizing vacant commercial spaces while continuing to allow new commercial development Losing agricultural/rural character Schools and public works unable to support growth, especially high density apartments	7/20/2026 4:37 PM
345	Tech companies destroying agricultural land. Tech companies in general. there is tons of vacant warehouse space that is sitting unused. repurchase that for solar instead of farmland	7/20/2026 4:32 PM
346	BUILDING MORE AND OVER POPULATED	7/20/2026 4:29 PM
347	Gahler	7/20/2026 4:24 PM
348	Keeping our County's character. I am very worried about Solar Farms and Data Centers. I worry that the Southern part of the county is going to be forced to deal with these things as a compromise and I don't want that. I also think education is a pressing challenge as the cost of things is going up, as well as the needs of the kids are significantly increasing. I see a big challenge with increasing crime as crime moves out of the city to the counties. Roads and bridges are a pressing challenge as our infrastructure is aging. It is also a challenge because we have this influx of so many developments and our roads aren't designed for this many people. Finally, our healthcare situation. Again, with the increase in population our medical resources are spread too thin.	7/20/2026 4:15 PM
349	K-12 public school funding, poor planning with new commercial developments, limited access to quality healthcare	7/20/2026 4:07 PM
350	Over development, infrastructure, solar farms, crime, agricultural preservation.	7/20/2026 4:06 PM
351	Overcrowding; traffic; safety (from crime and also funding for police and fire department);keeping our rural areas rural (no data centers or solar "farms") and not allowing development to encroach into the north harford areas;	7/20/2026 4:06 PM
352	Overdevelopment. Pressure to expand development envelope. It is not wanted or needed. Solar farms on AG are ruining beautiful views and rural character.	7/20/2026 4:03 PM
353	Solar farms (against them), electricity generation and over development.	7/20/2026 3:58 PM
354	Data centers, solar farms on agricultural land, traffic congestion, rush hour, empty storefronts.	7/20/2026 3:56 PM
355	Too many empty store fronts owned by companies like Cordish. If these could become Incubator Stores, that would help local businesses as well. Too many new houses being built while older more reliable houses are sitting empty. Too many solar fields already.	7/20/2026 3:54 PM
356	transit-- bus lines are inadequate	7/20/2026 3:45 PM
357	Keeping it rural. STOP the over-development!! Bel Air is insanely crowded, Fallston looking to catch up, even Havre de Grace is starting to overdo it	7/20/2026 3:42 PM
358	Growth that doesn't match in fracture but we don't want to expand roads, lack of social life for younger people 20s/30s that's not drinking, and lack of affordable apartments/housing	7/20/2026 3:35 PM
359	Development and annexation by municipalities	7/20/2026 3:30 PM

364	Traffic. Overdevelopment without an honest assessment on impacts to quality of life and roads.	7/20/2026 3:11 PM
365	Allowing for more housing so businesses can grow and prosper. Otherwise, business and wages will remain stagnant while surroundings areas grow and prosper.	7/20/2026 3:07 PM
366	Not enough attractions	7/20/2026 2:56 PM
367	Data Centers/Farmers selling ag preserved farms to Amish Lack of inspection for zoning issues and keeping evryone honest Never get call backs from departments when you call for help	7/20/2026 2:56 PM
368	Resources for low-income pockets (community centers), affordable housing in safe communities, public transportation, congested traffic in high development areas, balancing development with green space	7/20/2026 2:55 PM
369	No diversity, No social life / nightlife , lack of job opportunities	7/20/2026 2:47 PM
370	Overdevelopment.	7/20/2026 2:43 PM
371	I live in Woodcrest III. When we moved here in 2004, the land surrounding us was zoned for agriculture. Unbeknownst to me, the reckless County Council began rezoning and upzoning, destroying the legally preserved and protected Natural Resource District, our quality of life, and potentially our well water supply. There does not seem to be anyone involved in local government decision making that has the good sense and/or knowledge to not destroy neighborhoods. Plus, there are no nuanced architectural controls when it comes to commercial building near residential areas. I've never lived anywhere that the local government has allowed residential land to be altered to the point of real property devaluation.	7/20/2026 2:35 PM
372	Over development!!!! It needs to stop- no more high density developments-apts and town houses. We need more than one hospital and the traffic is getting horrendous. Crime is increasing and the charm that this county once had has been destroyed by all of the "growth". "Growth" that just makes thing worse for the people that already live here.	7/20/2026 2:09 PM
373	Public safety, Solar Farms, Data centers.	7/20/2026 2:08 PM
374	Pollution of the Gunpowder River. Real boat access under the railroad bridge. Way too much condo and townhouse construction	7/20/2026 1:46 PM
375	Increase in age of average homeowner/ new homebuyer. Younger population less equity in community meaning less long term interest to contribute and stay.	7/20/2026 1:32 PM
376	Get taxes lower for the lack of services provided.	7/20/2026 1:29 PM
377	Lack of transportation, lack of walkability, poor affordability, aging population	7/20/2026 1:19 PM
378	Traffic, coming out of Belair head back to Darlington after work is bumper to bumper. Traffic in Belair during the day is bad. We are building way too much and it's getting crowded. We do not need a bus route from the city coming out this way.	7/20/2026 1:17 PM

35	Change the narrative that you has set for Edgewood, this could be an affordable place to live but if the reputation (that the counties pushes) is all bad, why would anyone want to live there. You will need to be able to keep young college graduates iin Harford Co, right now you're losing them to Baltimore Co. They need affordable housing and they need "things" that cater to their age group. Also, I lived in Bel Air for a long while, I know there is under reported crime in Bel Air.	7/20/2026 7:00 PM

#	RESPONSES	DATE
1	In areas that have already been developed and need new purpose (ie old 510 Johnnys)	7/25/2026 6:54 AM
2	by limiting the population and stop new residential development	7/25/2026 6:51 AM
3	Just stop building	7/25/2026 12:36 AM
4	Hospitals and schools	7/25/2026 12:18 AM

8	Parks and rec, clean up crime areas and slums along Rt 40	7/24/2026 7:36 PM
9	Route 40 has a ton of development space that could be revitalized or reimagined rather than breaking new ground in rural areas or adding more crowding to Bel Air and Abingdon. Growth should be directed overall to places that have outlived their current existence such as Harford Mall or other shopping areas on Route 1. Just because there is less desire for physical clothing or department stores does not mean the area itself isn't good for commerce. It's about pairing the right business with the right vacant space.	7/24/2026 5:26 PM

24	No where but I would say in the upper northern part of Harford co everyplace else has enough	7/23/2026 8:57 PM
25	Bel Air is full. Forest Hill is full. North Harford has lovely farms. There are lovely farms all over. I feel like Joppatown, Aberdeen and Havre de Grace are more open, but the schools there are perceived as less than. Which isn't true. They can be as good as the people who are leading it. Make those areas of the county more appealing. Affordable houses (not section 8) Affordable condos and apartments. There are NO 20- or 30-somethings that can afford to live here with what is being charged monthly for apartments.	7/23/2026 8:06 PM

48	No more growth. Already too big and too many people.	7/23/2026 12:52 PM
49	No data centers; okay for solar farms however encourage ag aspect of it on ag land by implementing practices to prevent soil compaction and encourage wildlife through planting of wildflowers under/between panel rows to encourage pollinators	7/23/2026 12:45 PM
50	New growth should be restricted to the development envelope. When growth is planned, the future needs of the growth should also be addressed. For example, build the new schools and additional infrastructure BEFORE the current situation is overcrowded and congested. Doing so otherwise is reactionary and feeds a universal anti-development point of view. Smart development is good.	7/23/2026 11:16 AM

62	No new growth is needed as far as housing	7/23/2026 8:38 AM
63	No where. I think we need to focus on developing areas with run down or abandoned buildings and not build new. We are getting so big. What attracted us to Harford County was the more small town feel and now there is construction everywhere.	7/23/2026 8:20 AM
64	Inside the Development Envelope (no expansion)	7/23/2026 7:29 AM

83	Perhaps along the 95 corridor.	7/22/2026 2:41 PM
84	The Route 40 corridor and US Route 1 between Benson and Bel Air's Main Street should be leveled and redeveloped. Both areas are an eyesore and an embarrassment when having out of town guests visit.	7/22/2026 2:27 PM

94	Roads are not capable of handling more development. Minimal public transportation options increase problem. Putting a Costco on 924 is insane.	7/22/2026 11:07 AM
95	New growth should be directed to already developed areas that can support it, including underused spaces and vacant buildings, rather than farmland, open space, or rural communities. Growth should focus on places with existing roads, sewer, water, schools, and emergency services so it does not overload communities like Bel Air.	7/22/2026 10:25 AM
96	Improve maintain what already exists	7/22/2026 10:20 AM

99	New zoning should be last resort. More efficient use and better infrastructure in current development zones is key	7/22/2026 9:28 AM
100	No more overdevelopment of BelAir and fallston, put the manufacturing/ data centers in industrial areas,	7/22/2026 9:23 AM
101	Not the country (leave us alone, we need our farms), Bel Air is way to congested as it is, I would say the Rt. 40 corridor, but need to get a handle on crime.	7/22/2026 8:21 AM

Protected growth that doesn't destroy our ag and natural resources . If the growth benefits business but not the community , like more warehouses, then it shouldn't proceed	7/22/2026 1:16 AM
116	Please start adding aparments to Jarrettsville. They are ag and somehow avoid tax assessment increases and apartment buildings. Please stop targeting fallston for your development projects.	7/21/2026 11:42 PM

125	I think we should focus on improving the already developed areas. There are already so many underutilized areas of the county that have been developed but left to sit (Double T on 24 or the area that was cleared for Costco, for example). Why disturb other areas when these are sitting here prime for redevelopment and growth and actively making our county less useful to residents?	7/21/2026 9:59 PM

170	Future growth in Harford County should be directed toward already-developed and already-served areas within the existing Development Envelope, rather than expanding into rural northern Harford or converting more farmland and open space. Concentrating growth where infrastructure, schools, roads, and utilities already exist will reduce sprawl, protect agricultural land, and maintain the rural character that residents value. New housing, commercial development, and even solar or industrial projects should be prioritized on infill sites, redevelopment areas, and underutilized commercial or industrial parcels instead of pushing outward into the county's remaining open landscapes.	7/21/2026 6:29 PM

The entire area can be redeveloped, updated with mixed price and mixed type housing but higher density housing..get out of this State and go look at redevelopment areas in Scottsdale, Phoenix, Vancouver, Seattle, Munich etc..we think SO small!! Look at the Paradise Valley Mall redevelopment- it is actually gorgeous and functional. Look at Kierland area of Scottsdale. High end, dynamic beautiful and busy! We are wasting the redevelopment of Harford Mall. Much of what has been posted looks tacky, and does nothing to create community. 224	I read that Harford is going to be surveying places like farm fiar, first friday's and farmers markets for the Harford Forward initiative. However, that is only a small fraction of people who represent our diverse county. And those people are probably more likely to share feedback, and are aware of county resources, since they are attending these public events. Those who are lower income, and not attending these public events needs their voice to be heard as well. New growth would be beneficial to those groups, too. I see Harford taking initiative to create more public events and resources. The local groups, orgs, and businesses that already exist and operate day-to-day need support and room to grow. Don't take over their spaces in the course of trying to create a more engaged County community.	7/21/2026 11:57 AM

253	Stop building more houses and buildings. There are plenty of industrial parks and store fronts that are empty. We don't need to build more houses or stores. Invest in what we already have and put money toward schools and parks.	7/20/2026 11:12 PM
254	Preservation, improving the existing spaces we have with better retail and development. Not building more. No more affordable housing, have plenty now. Not enough space in schools	7/20/2026 10:47 PM
255	Before building new housing developments and shopping centers. Look at empty existing buildings and industrial areas that could be torn down and used before clearing more forest or farm land. Specifically the route 40 corridor. Leave the north half of the county untouched.	7/20/2026 10:22 PM
256	I have another property in Fallston where there are failing septic systems. This area is surrounded by development and needs public water and sewage. Located on 152 between Harford road and bel air rd	7/20/2026 10:18 PM
257	Keep the development envelope the way it is- DO NOT EXPAND IT!	7/20/2026 10:16 PM
258	Route 22 between Aberdeen and Bel Air has been shunned. For instance, there is a dead zone between the two FiOS service areas.	7/20/2026 10:13 PM

261	Not on farms, not in neighborhoods….. what kind of future growth? Why don't you preserve what we have and do not overdevelop HC.	7/20/2026 9:46 PM
262	We need to have things for young folks to do not just under 18 but that 18 to 35 range as well. We have an aging population problem.	7/20/2026 9:28 PM
263	Repurposing already there spaces instead of building new ones . Stop building more apartments and townhomes	7/20/2026 9:20 PM
264	The envelope should expand to include the community college, and the area developed to attract young adults to HCC and TUNE	7/20/2026 9:16 PM
265	This question is not specific enough for me to answer. "Future Growth" for what??? Residential/comercial/industial….??	7/20/2026 9:14 PM

270	NO more growth is needed! Our roads have not expanded accordingly and we have constant gridlock. Our open space & agriculture lands are now being targeted by developers for Data Centers & Solar Farms, this needs to STOP and be banned in this county 100%!	7/20/2026 8:41 PM
271	Delete strip malls, more mixed development. Public transportation. Densification. Build housing, stop idiotic roadblocks to subdivision. Allow more development at rural crossroads to increase food/healthcare options. FULLY FUND THE SCHOOLS.	7/20/2026 8:33 PM
272	Not sure. Seems like the development now has already taken some of the rural feel away.	7/20/2026 8:21 PM

274	County Council	7/20/2026 8:19 PM
275	Limit growth as much as possible. Keep the growth within the development envelope.	7/20/2026 8:16 PM
276	There isn't room for more development in Bel Air and developing agricultural land in Fallston or Jarrettsville etc is a horrible idea. You can call it "growth" like it's a good thing, but it isn't. It's like we're in an overcrowded city when we're in Bel Air. Trying to turn out of our street is dangerous at certain times of day due to the increased development around us. We would also be extremely upset if the trees and necessary habitat around us were destroyed in the name of "growth".	7/20/2026 8:10 PM
277	Unsure of individual communities'needs, but am strongly against solar panels on farm land... buildings ok...ruins ag character ..like techno land AND would like to see smart AI center growth.ban may not be realistic. Infrastructure needs to consider character of community and impacts to quality of life and long term sustainability for humans, other eco systems and the environment.	7/20/2026 8:08 PM

282	Opportunities within the development envelope need to be evaluated for rezoning/upzoning to accommodate growth and development	7/20/2026 7:43 PM
283	In areas where zoning is already approved, however thought must be given to infrastructure, traffic, resources, schools and hospitals and medical facilities and not just housing.	7/20/2026 7:33 PM

293	Clean up route 40 for goodness sakes, affordable doesn't have to look like a dump. You are sitting on a gold mind, but you are not marketing the county correctly. The rest of harford county needs to become more like havre de grace	7/20/2026 7:00 PM

298	Resource poor areas that are already developed (rte 40 corridor)	7/20/2026 6:14 PM
299	I think growth should be placed in schools, natural resources, and agriculture. All of these are great features of Harford County and I think it should stay that way. Not just for residents but for visitors too.	7/20/2026 6:11 PM
300	Arts, culture, and community	7/20/2026 6:09 PM
301	No growth	7/20/2026 6:05 PM

309	redevelopment of currently developed but vacant properties (rt 40 corridor, across from target in bel air). design standards should also be implemented . the city of Bozeman, MT has phenomenal design standards and it really makes a difference. the major corridors and intersections in the county should have reasonable but attractive standards. again, Bozeman’s standards are a great starting point to reference.	7/20/2026 4:59 PM

316	Development Coridoor	7/20/2026 4:24 PM
317	First, before any growth, a logical plan for roads, schools, and healthcare should be developed to deal with the increased growth. As far as where, that depends on what is being built. Growth should be very strategic. Also, please remember that the people in the Abingdon, Riverside, and Perryman areas of the 40 corridor also want nice communities, not just continued building. We want open spaces, clean and safe communities. We are tired of large warehouses and industrial building up. I would really limit industrial building up in Harford County, period. Focus on shopping centers with character and green spaces within them, restaurants, housing, and parks and entertainment venues that the community can enjoy.	7/20/2026 4:15 PM
318	Along the I-95 corridor	7/20/2026 4:07 PM
319	Current development envelope and immediate surrounding areas of Bel Air, Aberdeen and Havre de Grace. Close proximity to I95.	7/20/2026 4:06 PM
320	The current infrastructure cannot support new growth	7/20/2026 4:06 PM
321	On existing land in the development envelope. The county does not need to expand it needs to redevelop where it is already supposed to be	7/20/2026 4:03 PM
322	Forest Hill is WAY overdeveloped. In my opinion, the entire county is overdeveloped. Condos, apartments are everywhere.	7/20/2026 3:58 PM
323	Group categories together. Data centers in industrial areas. Solar over existing parking lots, rooftops, not farmland. Multifamily housing to limit sprawl.	7/20/2026 3:56 PM

330	Aberdeen and Edgewood	7/20/2026 3:20 PM
331	this is hard to answer, of course, the natural tendency is to say "anywhere but next to me". I think growth has to go hand in hand with economic development and making livable communities where people work	7/20/2026 3:20 PM
332	First build-out the development envelope, but to plan for inevitable continued growth. Expand the envelope along the Creswell/Schucks corridor, extending to HCC. Start long-term infrastructure planning steps now.	7/20/2026 3:11 PM
333	Redevelopment in the Rte 40 corridor. Makes no sense to continue to dig up every farm field in the county while we allow sections of the county to decay.	7/20/2026 3:11 PM

346	Route 40 corridor. Edgewood, Joppa, Aberdeen, etc. It is a busy and populated area full of abandoned and unkempt shopping areas that deserve to be revitalized. There are many low-income people who deserve social resources, parks, and gathering places, who are openly ignored and denigrated in favor of "upscale" areas like Abingdon and Bel Air.	7/20/2026 1:16 PM
347	Only in the areas that are already developed (like Rt. 40) and underutilized, and have existing infrastructure. STOP planning future growth in areas that should be preserved (like Hickory!). At some point, growth needs to stop in order to protect our county, and I think we're there!	7/20/2026 12:49 PM
