220	I usually go to Northern Harford County for most of my everyday needs. That's where most of the grocery stores and general services are. For well maintained playgrounds and for diverse, higher-quality restaurants, I tend to go to Bel Air or Abingdon, but Aberdeen is a good option too. Grocery options are pretty solid in Northern Harford, but in the Edgewood/Joppa area it's mostly Food Lion, Redner's, and Aldi, so the choices are a bit more limited. The Edgewood/Joppa area is very limited when it comes to well maintained playgrounds, trails, safe/protected bicycling infrastructure.	8/2/2026 5:34 PM

435	I like the small town feel of the local community that Bel Air used to have. I shop at Shoprite for groceries, participate in the CSA at Brad's every year and try to support local businesses like Broom's Broom and the shops on main street. I go to the farmer's market and local events when I can. Healthcare has seriously gone downhill in the area. Trying to get prompt appointment with a qualified doctor has become impossible. When you need to see a doctor and the first available appt. is in 3 months, something has to change. I have to pay for a direct access PCP so that I can take care of my health and obtain my medication in a timely manner. I get my prescriptions at Walgreens but the delays and drive-through lines have been increasing frustrating. The businesses can't seem to handle the amount of people moving into the area.	7/23/2026 8:38 AM

Our school is great- the elementary one was better community oriented & we miss that. Middle school should absolutely be just as event oriented. We love our small businesses in town & but all sorts of needs and wants. Our favorite events are the art fairs & now that the kids are older we’re trying to get to more music events! We volunteer with & support local non profits. It would be nicer to see better bridges built between local money & services alongside these groups.	7/21/2026 8:45 AM

305	It would be crucial to see more family-friendly activities. That encouraged children away from constant use of technology. Along with providing fun and active adventures, for children over 10. Especially teens. It is infuriating to see more houses being built and cramming up the area we live. Yet watching businesses close and having limited options to engage teens & tweens. They are too old for Chuck e. Cheese and love Dave& Buster's. However, attending large events like Dave & Buster's & medieval times, is incredibly costly. Also, neither of those options encourage physical activity for days. It is too unbearable with the weather.	7/29/2026 4:59 PM

677	Leave Harf Co for retail shopping and entertainment. There is not a single dept. store in this county - disappointing. As a result, I got to Christiana for retail shopping, and because I'm there, I end up spending money or groceries (where there is a trader joes within mins. of Macys / Nordstrom) and Costco - which is there, to include large ticket items. Don't you want to keep my dollars in the community? Give me options to do so, right now, you have left me with no choice. I realize retail shopping has changed majorly since covid, but you didn't pivot with the change. Also - what are you going to do if APG closes this base and the civilian jobs go - you need to reinvent yourself (tech jobs / AI / ag?)	7/20/2026 7:00 PM

688	Definitely hospital (UND Upper Chesapeake has a terrible rating and reviews). I’d rather travel to UMD St Joseph for medical care! Also used private schools because my school district is horrible! It’s a shame that people have no choice and that children travel farther from their homes to schools instead of schools that are closer. In our area kids cross 95 and Route 40 to attend middle and high school when there is one so much closer and better. Something needs to be done with the Edgewood school district and children should not have to travel so far for school. If you stop building in the area students wouldn’t have to travel so far and could attend schools closer to their homes and not cross major roads to get there. Our school system is suffering and our healthcare in Harford County is terrible!	7/20/2026 5:37 PM

693	Niche/higher end shopping. I believe this is something Harford County is really missing. Malls are dead but brick and mortar is not. Nice, open air malls and shopping centers are very popular. look at the Avenue in White Marsh, or stores relocating from inside Towson Mall to nearby storefronts. There should be a priority for wide sidewalks, landscaped buffers between parking and side walk areas, etc.	7/20/2026 4:59 PM

69	Harf Co location is one of its biggest strengths - can be to Mountains, Ocean, DC, PHyilly, NYC all within 2 hour drive. Having an Amtrak station in Aberdeen is big - you don't market that enough. I appreciate the conservative values, I'm talking morals and not politics - continue to prioritize 2-parent heterosexual households, which is not a slight to anyone who is not that, don't let big brother push you to the liberal agenda (and I'm black by the way, not all black folks are liberals). Lastly, I generally feel safe anywhere in Harf Co. to include the areas I've been warned not to visit, like Edgewood.	7/20/2026 7:00 PM

#	RESPONSES	DATE
1	Too much new development.	8/7/2026 4:24 PM
2	Political leaders and developers	8/7/2026 4:20 PM
3	Solar farm development and losing farm and agriculture land to development	8/7/2026 4:17 PM
4	Roads	8/7/2026 4:08 PM
5	Over Development, Traffic Congestion, Increased Demand on Infrastructure	8/7/2026 4:06 PM
6	OVERDEVELOPMENT AND TRAFFIC	8/7/2026 4:05 PM
7	Governor Moore	8/7/2026 4:04 PM
8	OVER COWDING & OVER DEVELOPEMENT - with no regard to the infrastructure that is needed to support it. STOP BUILDING!!!! Not enough schools for all these people, not enough quality hospital space, the roads are too crowded!!! It's sad every time I look up, farm land is being sold and apartments or condos are being built. It's starting to look like Columbia.	8/7/2026 4:02 PM
9	Growth that skips or does an end run around the master plan. Data and battery centers- we DO NOT want them	8/7/2026 3:59 PM
10	Building Costco - i think that's a mistake considering construction, and availability of resources.	8/7/2026 3:55 PM
11	Over development	8/7/2026 3:45 PM
12	There road systems are horrible	8/7/2026 3:38 PM
13	Over-development, restricting redundant commercial development, lose of agricultural and green space, and revitalization of depressed communities and existing commercial areas.	8/7/2026 3:26 PM
14	Over-development—keep the rural atmosphere. Crime and traffic are becoming more prevalent as the county increases its population. Hospitals, doctors, roads, etc. are overtaxed with the increased influx of people.	8/7/2026 2:12 PM
15	Keeping open arable land	8/7/2026 2:08 PM
16	Reduced domestic spending at the federal level for education, transportation, housing, and social services	8/7/2026 2:02 PM
17	Data centers and solar farms , and now too much housing . Please keep section 8 out	8/7/2026 1:47 PM
18	Keeping infrastructure up with the growth	8/7/2026 1:40 PM
19	Over development/Taxes	8/7/2026 1:30 PM

20	Over population, too many condos and over development. Traffic congestion,	8/7/2026 1:22 PM
21	Illegal immigrants and stupid laws that keep our great local police from speaking with ICE. Energy reliability and costs. Every time there is a storm, we have an outage.	8/7/2026 1:14 PM
22	Wasting farm grounds for solar and or battery storage	8/7/2026 1:13 PM
23	Not expanding the development envelope and to LEAVE agricultural lands alone. Help young people who want to farm, get the ability and help to farm.	8/7/2026 1:07 PM
24	Financial instability, poor planning with business operations. What is going on with planning where and what businesses are being placed etc	8/7/2026 1:04 PM
25	Only one hospital and it was too small when they built it! Traffic and now more growth (ie: Harford Mall) than the power grid, cell towers and water shed can handle as well as the hospital, schools and grocery stores. More growth means more potential crime.	8/7/2026 12:52 PM
26	It’s getting too crowded. I moved to Harford County in 2008 because it had a nice country feel to it. The rapid growth has changed that. Low income housing is going to hurt the public school system (long-term).	8/7/2026 12:51 PM
27	Traffic, need for expended hospital.	8/7/2026 12:48 PM
28	School quality - they need proper funding, staffing, and attention. Hospitals - need more beds. Affordable housing, not “starting at 800k” developments or luxury apartments. Adult children are priced out of the towns they grew up in, they can’t afford kids. The schools are ranking lower and lower which will bring down home values, but will create a generation who is behind academically and economically.	8/7/2026 12:41 PM
29	stopping over development, solar farms,	8/7/2026 12:37 PM
30	Too much building and development. Stop crowding us with developments.	8/7/2026 12:27 PM
31	Roads, Restrictive land use.	8/7/2026 12:22 PM
32	Infrastructure is not being improved at the same rate as development.	8/7/2026 12:21 PM
33	Traffic due to over population. 152 needs to be expanded! Rise in crime due to new apartment complexes and the eventual addition of section 8 housing. We don't need more people! And we should be preserving the land that is left. We should NOT BE CONVERTING ANYTHING WE CAN FIND INTO HOUSING OR APARTMENTS.	8/7/2026 12:18 PM

37	I think there is too much building. Apartments, townhouses and single family homes. There is too much traffic in Forest Hill now. There is going to be more crime. Look at Towson.	8/7/2026 11:46 AM
38	Over development, road maintenance, walkability, schools	8/7/2026 11:38 AM
39	Too much growth by developers. Too many people coming in from Baltimore City and County. Increasing crime. Increasing traffic. Over crowded schools.	8/7/2026 11:28 AM

40	Over development E-bikes and lack of responsibility/ accountability for behaviors	8/7/2026 11:18 AM
41	The ongoing pressure to develop areas both for housing and industry/Commercial warehousing. Lack of dedicated and areas for teens to hang out. Lack of updates to community facilities - The Jarrettsville Library has been closed nearly all summer due to lack of working AC, and v few community programs run there - kids can't get books over the summer without travelling to Fallston - this should be a community hub! with lots of baby and toddler activites, a book club for teens & adults, gaming and computer access for teens, craft activites for all ages etc	8/7/2026 11:12 AM
42	Over development and getting to be over crowded. We do not want to become a big town.	8/7/2026 11:11 AM
43	Too many cars, and not enough roads. We need better accommodations for public transportation, bikes, and pedestrians. We need more parks that have walking paths, not just soccer fields.	8/7/2026 11:11 AM
44	The infrastructure isn't keeping pace with the increase in Harford County residents needing to use such infrastructure. Traffic is very much congested now. Multi-family housing needs to be limited to preserve Harford County's charm.	8/7/2026 10:49 AM
45	Planning for growth. A lot of people complain about adding more people to the community, but often what they are really complaining about is not properly planning for that growth (e.g., the roads can't handle the traffic, the schools have a large influx of kids, etc.). I worry that some of the development will be viewed negatively simply because the infrastructure to support the growth wasn't in place. Education. The fight between HCPS and the county executive over the budget this year and last year was really disheartening. Obviously, we want thoughtful spending, but also an investment in education has a huge ROI. Finding politicians willing to work with each other respectfully. I've lost track of all the different arguments between the the county executive's office and the county council, the sheriff's office, etc.	8/7/2026 10:14 AM

51	Over development	8/7/2026 9:24 AM
52	Rising crime. Influx of lower income, too many apartments means too many people and too much traffic	8/7/2026 9:18 AM
53	Over development that does not take into account the added costs of traffic, schools, police and fire services. I see apartment building everywhere. The other main problem is the increasing congestion on the roads, especially Rt 22 and 155.	8/7/2026 8:47 AM
54	Too much growth. Traffic is becoming a problem. Especially in the Bel Air area.	8/7/2026 8:32 AM

56	Too much low income housing. Traffic.	8/7/2026 7:03 AM
57	Run by republicans who follow a felon and con man. White supremacists. Bleeding people dry with all the raising costs but not income. No planning or upkeep of our infrastructure, jamming more people in new homes, roads, schools, hospitals. Green space and environment not a priority.	8/7/2026 4:56 AM

58	No outlets for middle school and high school kids. There isnt a community center that is open to the public. Need more pools that arent private and expensive. A skating rink would be nice. We need better public transportation and more public meeting spaces.	8/6/2026 10:58 PM

82	Expansion beyond infrastructure; inequities in education (need more tech school seats, and summer educational options).	8/6/2026 9:28 AM
83	Harford county needs to expand public mass transit, including buses and trains that service across a wider area, if these transportation methods were more accessible it would cut down on road congestion. Harford county needs to focus on preserving its parkland and green space and expanding it. It should be rewilding and restoring unused commercial space, and shrinking the Development Envelop. New developments need to be disallowed as it's eating up green areas and inviting more people where there are no jobs besides APG and Warehouses to support them.	8/6/2026 9:17 AM
84	sprawling growth	8/6/2026 9:09 AM
85	Traffic, too much housing development, lack of competent medical facilities including hospitals. Upper Chesapeake facility inadequate. Lack of shopping for items other than groceries such as Christiana or white marsh.	8/6/2026 8:45 AM
86	Adequate funding for county responsibilities (schools, fire, sheriff) with the increase in costs due to the economy.	8/6/2026 8:41 AM
87	Maintaining the historic charm and small town feel of the towns. It will be a travesty for bel air to continue on the path it's on quickly turning into another Towson or Newark, DE with the loss of small town feel and looking more like cities with 4+ story modern style buildings & high density housing towering over the streets. Many towns successfully preserve history charm and thrive - look at havre de grace, Lewes, DE or so many thriving small towns in PA. Similarly, stopping the influence of developers / development of high density housing in rural areas, including places like Hickory with the horribly misplaced Taco Towers or mixed use near kohls in Forest hill. High density housing at the former mall is also a mistake, like at the former Hunt Valley mall and former Owings Mills malls. Traffic congestion and loss of small town feel in and around Bel Air will soon stop us from trying to go in / around town. The route 40 corridor is much better suited for density growth. Stopping data centers is also key. Also need to commit to not allow flock cameras or similar technology. Finally, schools (our student graduated in 2018 - went to school at Prospect Mill and then North Harford elementary & middle): overcrowding & large class size was a big issue, as was "new math" and removing grammar from the curriculum and relatively low emphasis on reading and writing. Never was in our purview to consider private school, but at our son's request & with our full support chose a private high school school in Cecil County with an outstanding curriculum. Our student was a top student in public school and still had a lot of catching up to do entering private school in 9th grade. Would be amazing to have access to a high quality public education (like I feel we had in the 70s / 80s). Shouldn't need to commit to an hour commute each way to get a quality education.	8/6/2026 8:27 AM

94	TOO much development	8/6/2026 5:35 AM

95	Over crowding. Traffic congestion due to the same. Too much new construction and corporate business instead of local business. Lack of support for life long residents and farming community	8/6/2026 2:27 AM
96	As a lifelong resident, I feel the government is allowing too many housing projects, too many of the same businesses within close proximity to each other (hence chicken restaurants back to back on Route 1, etc. Services like health care is a pressing matter because there are too many people here now to accommodate the demand. This is really a major problem! Too many people without the services to keep pace. There are too many businesses that are repeat businesses of the same categories overlapping our county. Especially in Bel Air. I remember when Bel Air had one stop light. I realize progress does happen. But there seems to be no real thought about what businesses open here. I do not want it to turn into Towson or a drunk bar zone like Federal Hill or Fells Point in Baltimore. Bel Air and Harford County is a special place that is why have I have stayed here, in my childhood home. I must admit there are times when I drive thru Bel Air and do not recognize my hometown. Havre De Grace does a better job of preserving its past. Please protect Bel Air, the HEART of Harford:)	8/6/2026 1:17 AM

103	Over Development!! Stop building more houses and apartments, until you fix the infrastructure. Forest Hill used to be a great area, but now everything is being overdeveloped with more apartments and housing and traffic is becoming horrible. It’s one reason I would consider moving. The second issue is not enough hospitals. One emergency room for all of Harford County is insane. I’ve had to take my mom a few times and the wait ends up being greater than 12 hours. The county needs an additional hospital/emergency facility.	8/5/2026 10:17 PM

147	Harford County is, unfortunately, stuck behind the times, and it's starting to show. In areas we used to be excellent (education, historic preservation, agricultural preservation, willingness to work across difference), we've been lacking. People are not willing to come together to support each other, and infighting in our government and school board is appalling. Our schools are falling further and further behind. I had an excellent education at HCPS; I cannot say the same for my child. The curriculum is outdated, the buildings are falling apart, and class sizes are atrocious (over 30 children in an elementary school for the last three years). We need to figure out how to properly fund our schools so the kids we graduate can then become productive members of society who want to stay in Harford County. Also, the infighting within government is childish at best and is making us a laughingstock in the state. Let's do better and try to actually meet needs. Another huge issue is food and housing insecurity. My church has a small food pantry; it is emptied multiple times a week. Harford Community Action Agency has a long waiting list and no resources. Housing is unaffordable; as a two-income household, my husband and I never would've been able to afford our house if we hadn't bought it ten years ago. We are not supporting our most vulnerable members of the community.	8/5/2026 2:39 PM

176	Mismanaged funds for public school while at the same time underfunding schools/teachers	8/5/2026 11:26 AM

177	We need bike lanes. We need places for people to safely ride their bikes (especially e-bikes) from Bel Air neighborhoods to down town. The Ma & Pa trails are great, but for kids to ride there, they need to be driven there by an adult, who then must have a car that can transport the bike. Kids and adults are riding bikes to and from local businesses (Wawa, Dairy Queen, etc) on MAJOR Roads (543, rt. 1, 22). We have so much traffic and kids on bikes, accidents are happening...it would open up a lot of opportunities for kids and families that are interested in riding bikes/scooters instead of driving cars. I would love to be able to ride my bike from my neighborhood (Prospect Green) to downtown Bel Air for dinner, I can hit some sidewalks, but previous bike land plans were cancelled.	8/5/2026 11:19 AM

Would love to see some changes in the attitude of the administration with regards to schools. You need to listen to the teachers as they are the ones who truly know what is going on. 243	Overall, poor development choices are the biggest challenge. We keep getting more grocery stores and basic retail instead	8/2/2026 5:34 PM

	of the kinds of places that actually improve quality of life and draw more people in. Roadway conditions are a big issue in Harford County, especially near the 24 and 924 intersection and heading into the Constant Friendship shopping center. There are also way too many grocery stores and basic retail in Northern Harford County. At some point you have to ask how many more we actually need and why aren't you expanding it to neglected parts of the county instead. The old Mars grocery store has been sitting in Edgewood, vacant for 10 years and that whole Route 40 corridor is rundown. The area would benefit a lot more from real attractions and places people want to go. Harford markets itself as an active area, so something like a climbing gym would be a huge hit. There is a large demographic here that would use it, but climbing is basically inaccessible unless you drive far, so people either do not climb or they go very infrequently. Also, all bike lanes should be protected when feasible. If Harford wants to call itself an active community, it needs real complete streets with protected bike lanes. Paint on the road is not enough when cars are flying past you on their phone while drifting into the bike lane. The Regal movie theater was removed, and that took away one of the few entertainment options. The pool was also closed and leveled in Joppa and the majority of pools are private. There should be a public pool or two somewhere in the Joppa/Edgewood or Abingdon area. Maybe an Escape Room even. More recreation spots would bring in money, give families something to do, and make the area feel more complete.	
244	Southern district is an untapped opportunity. Could really use a consultation with an urban planner or similar to revitalize the Southern district - it has so much potential with it being water oriented and having small businesses, coppermine, and waterfront parks. Years ago they did the Rt. 40 revitalization project - this needs to be expanded from where it left off and eastward through Edgewood, Abingdon, Aberdeen, and HDG so when people drive through Rt. 40 in Harford County they see how wonderful our county is.	8/2/2026 3:24 PM

251	Losing the rural character and taking away the wonderful small town feel of Bel Air. You have got to figure a way to keep Bel Air vibrant and attract people to keep the small businesses going. Making Bel Air safe, walkable and active is so very important.	8/1/2026 12:06 PM

255	The lack of new housing is the biggest issue facing the area. We need more apartments, more condos, more single family homes, more of everything. While I own a home, I feel we are pricing people out of the area who grew up here and want to stay here. People younger than I am will never be able to afford a home if we do not have enough supply. And we aren't the only county or state this is happening to. Do you want to end up eating Bii Gates specials of Bugs & Fake meat?	7/29/2026 7:11 AM
374	Over crowding, loss of farms and agriculture.	7/29/2026 6:28 AM
375	The lack of funding for hcps provided for by the local government (Bob Cassily’s budget priorities). The constant disputes between our sheriff’s office and county executive. Increased traffic with lack of infrastructure to support demands.	7/28/2026 9:44 PM
376	The infrastructure doesn't keep up with the development. The volume of traffic has increased exponentially and congestion is everywhere.	7/28/2026 9:15 PM
377	Overdevelopment without infrastructure changes. Crime is becoming more prevalent as the city crime is coming into our county via busing. Our school board needs a new overhaul!!	7/28/2026 7:59 PM
378	Too many housing developments being built that cost too much money and destroy the natural habitats of wildlife. New people moving to the area think they now own Aberdeen. Older children undisciplined. Crime increasing rapidly.	7/28/2026 7:21 PM
379	Crime (Baltimore City moving to Harford), roads / infrastructure, congestion (152, 22), lack of mid to high end restaurants, uncertainty of volunteer fire service, unlicensed contractors, lack of affordable Serio’s assisted living, wokeness especially in schools, state gerrymandering, lack of solid waste disposal facilities in the southern part of the county, energy production not keeping pace with demand, permitting turnaround times, homelessness, increased welfare state, no senior center in Joppa, lack of enforcement standards for property owners who fail to maintain decency standards for their lots/homes	7/28/2026 6:51 PM
380	Additional new industrial areas and new construction without adding lanes to rt152. Traffic confines you to certain times that it is reasonable to go out the road for anything.	7/28/2026 3:53 PM
381	There is a huge shortage of homes to purchase that are affordable for families who are not wealthy.	7/28/2026 2:16 PM

385	Over development and loss of farms and natural outdoor spaces.	7/28/2026 8:41 AM
386	We are over-developed - we are over-crowded. Stop this now.	7/27/2026 11:29 PM
387	Data Centers	7/27/2026 9:10 PM

388	overdevelopment	7/27/2026 8:44 PM
389	People buying into classified neighborhoods, like AG designated communities, with the intent to speculate a new housing development. They knew they bought into an AG area, as did their neighbors, knowing the regulations for the area, yet that speculator feels their desire to develop should override the desires of all their neighbors who want to live a quiet life in the zoning they bought their home in to live a quiet AG life. These same speculators grease the wheels of the zoning commission to push through .development.	7/27/2026 8:05 PM
390	A disconnected transit, walking, and biking network with the need for safer and more affordable transportation options that are sustainable.	7/27/2026 4:17 PM
391	Over-development that will change the rural character of this county	7/27/2026 3:12 PM
392	One of my major concerns is keeping our county land preserved and not allowing new technology, such as AI data centers and solar farms to destroy natural resources and our quality of life. I also have concerns about keeping public schools funded. As a homeowner I am aware that any drop in Harford County school quality would result in an eventual loss of property value. Please keep teacher salaries strong . I want my grandchildren to have quality teachers.	7/27/2026 11:02 AM
393	Aging population, Development ruining culture and open spaces in lower Harford County	7/27/2026 10:39 AM
394	1. Due to open land, Harford County is being eyed as a resource for solar, data, or battery farms or warehouses. 2. Excessive ultility increases from BGE. 3) Lack of art house activities (to bring in concerts, presenters, plays, etc.) for cultural enhancements.	7/27/2026 9:41 AM
395	Over population and overdevelopment. Need more schools and more healthcare services.	7/27/2026 8:30 AM

398	Public transportation, affordable housing (especially for 1st time homebuyers and for renters), smart and responsible growth (and keeping it within the development window), making sure infrastructure improvements and schools matches growth. Encouraging businesses to used existing vacant buildings instead of taking over vacant lots/properties - there are too many empty store fronts	7/26/2026 11:38 PM
399	Maintaining open natural/agricultural spaces. Seeing a lot of development recently.	7/26/2026 10:15 PM
400	Transportation	7/26/2026 6:04 PM

402	HOlding new housing to the current plan and corridor	7/26/2026 4:18 PM
403	Lack of affordable housing specifically for young 20 something residents as well as recreational activities for the same age group. There are also many commercial buildings that are unoccupied, it seems like the route 40 corridor needs some revitalization. It would be nice if TUNE could expand or University of Maryland could open something similar. Finally, the class sizes in the school system are getting too big. That will definitely start to affect the educational system. Schools need to be funded.	7/26/2026 4:00 PM
404	That sorry excuse for a governor we have and mayor	7/26/2026 3:11 PM
405	Data Centers and over development	7/26/2026 1:42 PM

406	Crime. Road signs covered with vegetation. Need more police, People constantly running stop signs. We have a hospital (Upper Chesapeake) that no one wants to work at, and does not provide good care for their patients. Not enough beds in the hospital. The Aberdeen facility is not a hospital! Too much sec 8 housing. There is always crime in those locations.	7/26/2026 12:55 PM

421	urban sprawl and development.	7/25/2026 3:38 PM
422	More crime, higher cost of living, building everywhere but yet the medical/dental/rehab/nursing home/roads/some schools and our first responders can not handle the growth. We need more police officers to make our roads safer, I live on a main highway and we have had several deaths at our intersection over the past few years. People not stopping at stop signs going over the speeding limit, (they shouldn't be allowed to go over 10 miles before getting a ticket) passing in no passing zones. Our government doesn't care about our algaculture or our hospitals, roads and other things or they would stop building and take care of who has lived /worked and paid taxes here there whole life before adding more people. The crime in northern harford county has went up and what are you doing about it? You want to add more busing for people so they don't have to drive what so we can become even more like another White Marsh and Towson? You can say we aren't in Bel Air you can keep your head in the sand, and Phil Raub doesn't care what happens to Bel Air I know the man personally he doesn't care, they could had turned the Harford Mall and Tollgate Malls around but they choose not too!! We had enough clothing and entertainment stores till the Harford Mall was allowed to go down hill the last 20 years.	7/25/2026 1:30 PM
423	Too much growth,too much traffic, too many people	7/25/2026 1:21 PM

437	Growth of apartments. Insufficient senior housing too many vape stores	7/24/2026 3:58 PM
438	There is too much development and projects (ie. Solar farms, data centers, shopping center) currently in our county. We are losing the small town, farmland and friendliness of our county.	7/24/2026 3:09 PM
439	potholes in the roads, people from the city moving into Harford County with the same mentality as if they were in the city, housing not affordable for low to moderate incomes	7/24/2026 11:57 AM

448	Economic stability and maintaining population control	7/23/2026 9:02 PM
449	Growth that is ruining the infrastructure. Getting more like Baltimore to try and travel in it.	7/23/2026 8:57 PM
450	Too many new houses, and schools are overcrowded and traffic can be an issue	7/23/2026 8:06 PM
451	Way TO MUCH GROWTH !!!!!!!!! Our Beautiful County is MORE than overgrown NOW as it Is ~ The Hospital is not able to handle all the people well ~ although they are WONDERFUL and Caring and TRY HARD , there are just TO MANY PEOPLE !!! 470	Over building homes	7/23/2026 1:39 PM
471	Accessibility - lack of sidewalks is really bad. We need to welcome more large businesses, so my money can stay in the county. We need more public transport. But just importantly, we need "missing middle" housing. Not just giant homes or small condos restricted for elderly populations. More duplexes, small multifamily, shared living, etc.	7/23/2026 1:29 PM
472	Over development, need more doctors/medical facilities, lack of retail shops, poor road conditions, too much traffic	7/23/2026 1:20 PM
473	Decreasing green space in BelAir, Edgewood, Aberdeen, Abingdon, Fallston. But for some reason the development stays away from Churchville, Dublin, North Harford. Hmm maybe cause most of the county council and higher ups in the county have lived there except for the current CE. Just seems fishy to me.	7/23/2026 1:17 PM
474	Traffic infrastructure Solar farms Corrupt politicians Division among politicians CRIME	7/23/2026 1:03 PM
475	There are too many people and cars. We need to stop development of residential and commercial properties. There are plenty of vacant properties. Additionally, the infrastructure, particularly roads, cannot support more people.	7/23/2026 12:52 PM
476	Providing necessary services and homes while maintaining open space and park land.	7/23/2026 11:16 AM
477	Over population and NO RESOURCES to support it. Harco allows developers to come in and we never add hospital beds, doctors, teachers, roads, etc	7/23/2026 11:11 AM
478	Fully funding the school system.	7/23/2026 11:03 AM

480	Too much housing growth.	7/23/2026 10:07 AM
481	School budget, overcrowding in schools, disparity of economic classes	7/23/2026 10:05 AM
482	Crime and safety concerns from large apartment complexes and large housing development. Too much development, losing the rural, agricultural feel of the county, losing natural resources, not protecting wildlife. Protect the integrity of this county.	7/23/2026 9:56 AM
483	School funding which will affect school quality; overbuilding of housing, especially apartments.	7/23/2026 9:47 AM
484	Infrastructure with roads. The roads cannot handle the amount of construction. Hospitals cannot handle more patients. Schools are overcrowded and not funded.	7/23/2026 9:25 AM
485	School capacity and new school to accommodate for the growth.	7/23/2026 9:10 AM
486	Overdevelopment, traffic	7/23/2026 8:59 AM
487	Overdevelopment!!! I want to live in the Harford County that my family moved here for. I want to keep the local farms farms and keep big developers, data centers, and solar farms OUT	7/23/2026 8:55 AM
488	Over crowding and too much building. More people means increased traffic, more accidents, increased crime and less resources. All of those things are happening now. I fear Bel Air will become like Towson very soon.	7/23/2026 8:38 AM
489	Too much building	7/23/2026 8:38 AM

490	I think the schools are horrible. My family chose to homeschool all my boys after trying public school. Its gotten worse after COVID. Kids (teens) need more areas they can be kids and hang out without getting in trouble they are forced to just walk around stores or meet up at parking lots. Also working to add more hospital type facilities. Upper Chesapeake is over run and staff is over worked.	7/23/2026 8:20 AM
491	Managing the increasing need for Fire and EMS services plus keeping development within the Development Envelope. There is sufficient capacity for redevelopment. Also, need to mitigate multiple car crashes and fatalities. Folks need to SLOW down.	7/23/2026 7:29 AM
492	The disproportionate underachievement of students living in economically disadvantaged areas. There is a direct correlation between poverty, race and achievement in Hartford county. That is a result of a disproportionate concentration of people, experience, poverty in pockets of the community. there needs to be public, transportation and housing opportunities throughout the county for those with low income. We may need to consider redistricting schools, so that there is more proportionality in the demographics make up of it students.	7/23/2026 6:36 AM
493	There is way too much development of farmland and a rush to build houses when the school infrastructure is not there. Supporting county schools is lacking!!	7/23/2026 5:54 AM

504	Overgrowth, new housing, not enough quality shopping	7/22/2026 6:27 PM
505	Development cohesion. When we build, we build in farm, forest, and wetland, and we spurn developing and redeveloping our existing urban and suburban areas. We need to truly maintain our envelope, but also upzone most if not all of the envelope to ensure it need not expand again.	7/22/2026 5:40 PM
506	developers pushing projects the citizens do not want or need. The development envelop should be closed except for redevelopment. Save our remaining farms and open land.	7/22/2026 5:31 PM
507	controlling growth and keeping industrial uses away from residences	7/22/2026 5:02 PM

508	Too much devolpment, too much low income housing, crime in those areas	7/22/2026 4:46 PM
509	Traffic, crime, housing affordability	7/22/2026 4:05 PM
510	More housing than we can support, i.e., traffic, parks, noise, overly bright lighting. Commercial and industrial adjacent to housing without sufficient buffering of the items above.	7/22/2026 3:06 PM
511	Growth and the destruction of what is left of farmland. I grew up here and it devastates me when I see the loss of what made our country rural.	7/22/2026 2:41 PM
512	Over-development and loss of the uncrowded streets and byways. Route 22 is a disaster from 3PM until 7PM.	7/22/2026 2:27 PM

518	Overdevelopment, traffic,	7/22/2026 1:07 PM
519	Updated Schools/competitive facilities, transportation on weekends	7/22/2026 1:00 PM
520	Lack of housing and job growth. Next generation of kids are moving away for jobs and more affordable housing.	7/22/2026 12:20 PM
521	Keeping taxes low, high energy and water costs, keeping Annapolis policies out of Harford County, including high rises, ADUs, low income "affordable" housing, sanctuary city policies.	7/22/2026 11:55 AM
522	Our government officials spending more time arguing and not working for the people	7/22/2026 11:40 AM
523	Infrastructure is not sufficient to meet needs.	7/22/2026 11:07 AM
524	Over development without related improvements in infrastructure. Public schools not preparing students for careers or college. They are getting caught up in silly social issues, rather than focusing on rigorous academics. Behavioral expectations are sadly compromised, student accountability and consequences are not enforced. This does not prepare students for careers or college, as they lack basic self-discipline and lack the ability to follow directions, rules, or guidelines.	7/22/2026 10:39 AM
525	Harford County’s most pressing challenge today and in the future is managing growth responsibly. Recent solar farms, data centers, and large developments near Harford Mall are examples of projects that appear to be driven more by profit than by the needs of current residents. These developments will only make Bel Air’s (and surrounding areas) already disastrous traffic worse, while roads, schools, utilities, emergency services, and other infrastructure are not keeping pace. Too often, decisions seem to favor short-term financial gain over long-term planning, with little regard for the loss of open space, farmland, environmental damage, or the overall quality of life for existing residents. Harford County needs sustainable, well-planned growth—not unchecked development that creates lasting problems for the community.	7/22/2026 10:25 AM

527	Not allowing it to become overdeveloped	7/22/2026 9:55 AM
528	Public transportation	7/22/2026 9:37 AM
529	Crime in Aberdeen / route 40 corridor. The investment in infrastructure is not keeping pace with development. i.e. schools, teachers leaving for Cecil and Baltimore counties, quality of care and reputation of Upper Chesapeake,road work and improvements.	7/22/2026 9:28 AM
530	Over development and lack of infrastructure, not enough hospitals, schools, affordable housing, and medical services.	7/22/2026 9:23 AM
531	Rapid growth which is pushing up crime and house prices	7/22/2026 8:21 AM

610	Harford County’s most pressing challenge is the rapid overdevelopment that continues to consume our remaining open space and productive agricultural land. Large housing projects, warehouse complexes, and utility-scale solar farms are replacing the rural landscapes that define our county’s identity and long-term sustainability. This pace of development is overwhelming infrastructure, increasing traffic congestion, straining schools and public safety, and degrading our natural resources through loss of tree canopy, stormwater runoff, and watershed impacts. If Harford County does not adopt stronger land-use protections and a more disciplined approach to growth, we risk permanently losing the farmland, open space, and	7/21/2026 6:29 PM

	rural character that make this county unique — and we will pass the financial and environmental consequences of sprawl on to future generations.

What can be the next destination for similar experiences. Could it be downtown Aberdeen for example? Creation of jobs or businesses is always a buzz word but what could be done is to create business incubators that extend beyond the small shop face. 621	keeping development focused where infrastructure is available, but making sure people want to live in those areas. there's no point of a development envelope if no one wants to live there. rural areas continue to see sprawl and housing growth because people want to move out of the towns and into the county, but then they want more services and the commercial uses follow them. we're used to driving 30 minutes to get to big box stores, we don't need them closer to us. but new people move out of town and expect to have all the same amenities within a short drive	7/21/2026 4:32 PM
622	I hope that Harford County will curb the development of apartment buildings. Apartment buildings are flooding the schools with students and the roads with cars. People who own homes have more roots in the community and care about it. I think a challenge will be to create access to the community for people who cannot drive, especially seniors. I am also concerned about the schools. I know several teachers who have left the school system for their own personal safety. The teachers are being instructed that if a student is hitting or kicking them, the teachers are to put their hands behind their backs and not defend themselves. Who will work in that environment? I also feel sorry for students who are constantly being evacuated into the hallway because a student in their room is "having big feelings" which means being wild, disruptive, and throwing things. It's not right that the children who behave have to suffer because one child is acting out. Also, I hope that our farmers will be able to keep the farms that have been in their families for generations.	7/21/2026 4:31 PM

673	I think Bel Air and the surrounding developing areas are becoming too crowded and too "corporate". Chain businesses are taking over properties too frequently. Most of which are unhealthy, like a new chic-fil-a or chicken tender store, or a new arby's. I don't see how any of these developments will positively contribute to a Healthy Harford plan. I know it's not going to be entirely the county government's fault for a lack of local businesses, but I have to wonder why the markets are one of the only opportunities we have to shop local. Not everybody knows how to, wants to, or can afford to buy healthy/local products and then incorporate them into their lifestyle at home or when they want a healthy meal. I have noticed over the past decade, all the new housing (apartments) that are being built. Yet, very few advancements to our infrastructure are improving to support the people living there. For example, the intersection on Rt. 1 where the new sheets was built has had two complexes built within the last two years but there is hardly a sidewalk, and no crosswalk, on the same side of the road where the grocery store is, less than a mile from the older complex. I believe that the political and racial tension that Maryland in Harford pose risks to our citizens health. When really, our diversity and range of occupations, infrastructure, and culture is an amazing opportunity to build community, strengthen relationships among our rural and urban structures, and become an example of a diverse, thriving county/area. Similarly, living in Bel Air, I am very aware of everyone's interest in Baltimore City's infrastructure and how they believe Baltimore impacts our lives up here. There is racism and prejudice that is extremely layered, and definitely not one person's fault. But a brief take from me is that Baltimore City is villainized here, and people are afraid of being close to Baltimore, and that creates more division.	7/21/2026 11:57 AM
674	Overdevelopment (mainly residential) led by greed and not grounded in actual community need. We risk overcrowding our schools and roadways and taking away the green spaces that make Harford feel like home.	7/21/2026 11:32 AM
675	Poor planning; allowing well water dependent neighborhoods to be surrounded by radically upzoned CI parcels. In addition, allowing businesses that utilize hazardous chemicals to be in close proximity to private wells. Plus, allowing a business that uses known volatile organic compounds to build a well in the development envelope. That in itself is duplicitous. It's clearly stated in Harford County public information that any business in the development envelope utilizes public water and sewer. What happened? This is a prime example of local government not protecting existing citizens, with no accountability.	7/21/2026 11:19 AM

687	Not fully funding education and starting dumb online fights like a child. Idiotic representation like Bare Minimum Bob threaten our future & our children’s future. Act like adults. Overexpansion when there are empty buildings everywhere is mind boggling. Why are we building new when there’s literal spaces available?? We also need to be putting in solar everywhere we can to reduce demand on the grid and help better serve our community with energy flexibility for the future. If we are at the whim of big energy, no one wins. Preparing ahead for options is a huge leg up for our communities. Legislating new solar to support and offset new buildings that aren’t using current spaces would reduce demand for new & ensure those willing to build that they’re doing their part to support the future. Finding affordable housing in another huge issue. I’ve been trying to convince my sister to move home to help with my aging parents but she simply can’t afford the wild rent these “cheap” apartments want. I couldn’t either if I were in her circumstances. We need more young adults & young families- if they can’t afford to live here they’re not going to shop & visit. We really need more transparency in our government as a final note. I’m so sick of petty online back & forths. Online transparency about major county transactions & projects, general amounts spent on government trips & food & events would help solidify a lot more trust. It’s far more mature than finger pointing & accusations & twisting statistics to make one side look right. Anyone with a high school education knows better & you all look like ignorant fools. Do better.	7/21/2026 8:45 AM

730	Harford County has allowed overdevelopment seemingly without considering roads, schools, and the impact on the environment, which has very negatively affected infrastructure. We don't want more apartments in areas with two-lane roads that can't handle the increased traffic, but it doesn't seem to matter what county residents want. The county has also allowed the destruction of habitat, including habitat that should have been protected, which is extremely disappointing and	7/20/2026 8:10 PM

	also not what most people want. It seems that those in leadership roles have forgotten that safety and the well-being of the people and the environment we're entrusted with protecting matter more than allowing developers to make money.

751	Over development. Too much section 8. Over population!! We do NOT need bus lines because they bring in crime & undesirable populations to ruin the county. Back room good Ole boy deals selling out our county like the proposed data center AND selling to developers from other states who could care less about harford. Like the ones who are ruining the harford mall right now. Commercial leasing prices/rent are way too high for small businesses to be successful. Schools are over crowded. 756	Residents are afraid of change - Harford County is growing in popularity and we should strive to welcome people into our community, not push them away. High density housing and commercial businesses - large and small - will be key to our future.	7/20/2026 6:09 PM
757	Over development	7/20/2026 6:05 PM
758	Budget cuts to education is destroying the schools. We stay in harford county because of the quality of the schools. I have seen a significant decline in quality in the past few years. More kids in each class, less teachers, less activities like music and art being supported. Housing, we are continously adding more houses, apartments, etc. We don't need them, it's overcrowding or schools, adding traffic, and with increased people it results in increased crime.	7/20/2026 6:05 PM
759	Solar farms on agricultural land, mega data centers, shifting populations due to high density housing in certain parts of the county	7/20/2026 5:45 PM

765	threat to the peaceful way of life and poor use of our currently developed land. the incident in fallston on the fourth is a perfect example of threat to peace. a party like that shouldn’t even happen. we also have so many vacant buildings with empty parking lots that developers should either be required or incentivized to pursue. all new parking lot developments should have infrastructure in place to support solar ILO allowing it to be put on an land.	7/20/2026 4:59 PM

774	Keeping our County's character. I am very worried about Solar Farms and Data Centers. I worry that the Southern part of the county is going to be forced to deal with these things as a compromise and I don't want that. I also think education is a pressing challenge as the cost of things is going up, as well as the needs of the kids are significantly increasing. I see a big challenge with increasing crime as crime moves out of the city to the counties. Roads and bridges are a pressing challenge as our infrastructure is aging. It is also a challenge because we have this influx of so many developments and our roads aren't designed for this many people. Finally, our healthcare situation. Again, with the increase in population our medical resources are spread too thin.	7/20/2026 4:15 PM

796	Overdevelopment.	7/20/2026 2:43 PM
797	I live in Woodcrest III. When we moved here in 2004, the land surrounding us was zoned for agriculture. Unbeknownst to me, the reckless County Council began rezoning and upzoning, destroying the legally preserved and protected Natural Resource District, our quality of life, and potentially our well water supply. There does not seem to be anyone involved in local government decision making that has the good sense and/or knowledge to not destroy neighborhoods. Plus, there are no nuanced architectural controls when it comes to commercial building near residential areas. I've never lived anywhere that the local government has allowed residential land to be altered to the point of real property devaluation.	7/20/2026 2:35 PM
798	Over development!!!! It needs to stop- no more high density developments-apts and town houses. We need more than one hospital and the traffic is getting horrendous. 33	More cultural festivals and multicultural inclusion and visability	7/29/2026 8:02 PM
34	There is a very fine line between preserving ag spaces and cultural resource that while I may not be equipped to facilitate, I am smart enough to do historical research on WHAT is being chosen to preserve and find commonalities	7/29/2026 5:39 PM
35	Changing school districting	7/29/2026 4:52 PM
36	More pickleball courts with nets	7/29/2026 4:51 PM

38	Skill path for biking, pump teach, etc.	7/28/2026 11:06 AM
39	not just “local” businesses and economic development, but specifically small business development. we don’t need more ugly commercial property or high rise apartment complexes. these are antithetical to preserving the rural landscape that harford county is historically known for.	7/27/2026 8:44 PM
40	Invest in infrastructure but put it in place a less developed area as a planned community. Don’t just keep cramming stuff into established communities that currently lack public water and sewer and whose placement would cause serious disruption to those established communities. Also don’t destroy the character of the established community	7/27/2026 8:05 PM
41	Protecting homeowners from AI facilities.	7/27/2026 11:02 AM

42	Widen the roads	7/27/2026 8:17 AM
43	Would love to see more pedestrian/bike friendly routes. Would also love for (forgive me if I'm simply unaware) the "Public Notice" process to be posted online vs a physical sign on a roadway. This method isn't conducive to affected/interested parties to stop & exit their vehicle to gather relevant information. If this notices are posted online, please provide access/veiwing details.	7/26/2026 10:15 PM
44	Need a public golf course run by the county	7/26/2026 1:42 PM
45	We need some public swimming pools that don't require yearly membership. Also a space where multiple ages can recreate - open splash pad, pickleball, soccer field, playground all in the same spot. Please get a splash pad!	7/25/2026 8:25 PM
46	Improving traffic and roads and keep our banks mowed so you can see the signs go up and down the roads and you can't read speed limits and road signs. No public transportation.	7/25/2026 1:30 PM

68	A mall like place (or expansion on the libraries) where people can be for free all day, protected from weather and air quality. Especially a place for teens because the library tries to create an environment for them but they need their own space where they can be loud (children are allowed to be loud but teens get frowned upon by adults).	7/21/2026 1:37 PM
69	Why only 3 choices here...most of these are important and need discussing and improvement.	7/21/2026 1:15 PM

80	Slow down development…. Let infrastructure catch up to current needs!!’	7/20/2026 7:08 PM
81	Change the narrative that you has set for Edgewood, this could be an affordable place to live but if the reputation (that the counties pushes) is all bad, why would anyone want to live there. You will need to be able to keep young college graduates iin Harford Co, right now you're losing them to Baltimore Co. They need affordable housing and they need "things" that cater to their age group. Also, I lived in Bel Air for a long while, I know there is under reported crime in Bel Air.	7/20/2026 7:00 PM

86	Some sort of program to foster a sense of community in neighborhoods e.g. neighborhood pride - members of the community will set a standard of care and community	7/20/2026 2:55 PM

Q11 When planning for future growth, where in the County do you feel new growth should be directed?

Answered: 727 Skipped: 166

#	RESPONSES	DATE
1	Not sure	8/7/2026 4:17 PM
2	Less dense areas of the county.	8/7/2026 4:08 PM
3	Rt40	8/7/2026 4:05 PM
4	New growth should be terminated. No more building, fix and use what's here and currently empty. If you want to build something new make a better hospital! Make its so there isn't 900 cars in Bel Air at any given time because of the over population. Go back to being a rural county, put in a Bass Pro Shops or a Buc-ee's. Seems like Boot Barn is doing rather well??? go figure. Accommodate the people that already live here and stop trying to change the social make up of the county. It's rural and AG - leave it alone. Leave the city out of our county.	8/7/2026 4:02 PM
5	East of 95 corridor	8/7/2026 3:59 PM
6	Anywhere with proper studies are done to determine there is access for schools, services, utilities, and road access.	8/7/2026 3:55 PM
7	Edgewood	8/7/2026 3:38 PM
8	Revitalization of existing developed areas	8/7/2026 3:26 PM
9	No more housing! We have more than enough now. Concentrate on more businesses and open areas. Perhaps, buy farms that are up for sale and create more parks instead of allowing developers to buy the farmland.	8/7/2026 2:12 PM
10	Along Rt 40 and MD 543	8/7/2026 2:02 PM
11	Edgewood and Aberdeen	8/7/2026 1:47 PM
12	Northern part of the county	8/7/2026 1:40 PM
13	I think we have enough	8/7/2026 1:30 PM
14	In the existing aging neighborhoods with housing that is already decaying. Demolish old buildings and replace with new. Do not over populate, do not cut any more trees down to build new neighborhoods. Fix the existing roads to handle the already over populated traffic.	8/7/2026 1:22 PM
15	Northern Harford county	8/7/2026 1:14 PM
16	Rt 40	8/7/2026 1:13 PM
17	Open space and lands for kids to explore and utilize for hiking, sports, environmental learning like Eden Mill.	8/7/2026 1:07 PM

18	Too many of the same types of businesses.	8/7/2026 1:04 PM
19	Towards activities and community events.	8/7/2026 12:52 PM
20	Out of the county! Again, it's over populated as mentioned above. Unless a better power grid, cell towers, watershed, more hospitals, schools, stores (grocery & clothing) etc are top priority; future growth should not even be in the same conversation.	8/7/2026 12:52 PM
21	South of Bel Air	8/7/2026 12:51 PM
22	Along rt 22, around Belair.	8/7/2026 12:48 PM
23	Creswell, Hickory, Forest Hill, Fallston but before we build housing or shopping, we need roads widened, schools built where there is overcrowding, and additional hospital space. Not all growth should be contained to rt. 40, that area shouldn't bear the burden while the northern part of the county is not effected.	8/7/2026 12:41 PM
24	Rt 40 corridor	8/7/2026 12:37 PM
25	Spread out the growth. Don't put dozens of families on a couple acres. I would rather have houses with more land.	8/7/2026 12:27 PM
26	In a controlled area the development envelope could grow a little. There is already enough farm land protected those funds need to be directed to park land development now.	8/7/2026 12:22 PM
27	Redevelopment of existing developed but underutilized space.	8/7/2026 12:21 PM
28	Baltimore county.	8/7/2026 12:18 PM
29	Expanding roads	8/7/2026 12:11 PM
30	More activities for our young people.	8/7/2026 11:55 AM
31	Retail shopping and entertainment	8/7/2026 11:48 AM
32	Edgewood,	8/7/2026 11:38 AM
33	Filling all the vacant storefronts instead of expanding to new areas.	8/7/2026 11:28 AM
34	Stop the building of apartments- ruining area and too much traffic congestion	8/7/2026 11:18 AM
35	Along existing corridors that already have some of the infrastructure needed to support growth.	8/7/2026 11:12 AM
36	Open spaces	8/7/2026 11:11 AM
37	Along I-95	8/7/2026 11:11 AM
38	Not in Bel Air....it's way too overcrowded now. We have family living on the Main Line in PA. I feel like that area properly plans. Everything looks cohesive and aesthetically pleasing. Lots of open space and limited multi-family living. Lots of quaint Main streets in the various towns along the line.	8/7/2026 10:49 AM
39	Given the rural history of the county, I would probably direct the growth to existing towns in the county to preserve the rural areas. Since there is nowhere else to leave final comments, I'll put them here. This public input tool is not great. Anyone can take this survey and take it multiple times. Also, only people who are already tuned into county news will hear about the survey. So the findings will at best represent highly engaged residents, which may only be a small portion of county	8/7/2026 10:14 AM

	residents who may differ from most residents in important ways (e.g., higher income, older, etc.). The intro says "The first step in the public engagement process is to ask community members to tell us what type of place they would like it to be." But none of these questions really ask what I want in a community. Finally, there is jargon in here that I don't understand. What are "viewsheds"? What is the "envelope"?	
40	Anywhere but Northern Harford County	8/7/2026 10:09 AM
41	North and West Harford County	8/7/2026 10:02 AM
42	It depends on the growth. Housing has historically been an issue—especially affordable housing. Placing affordable housing with no support (public transport, healthcare, schools, grocery options) defeats the affordable housing if nothing is available! Most (all?) business growth has been along the Route 24 corridor and the traffic in that area reflects those resources. Would the placement of Costco been better directed to the Edgewood/abingdon area? Maybe—certainly traffic would be less of an issue. Would patrons travelled to edgewood? Likely—since they already travel to the one in White Marsh.	8/7/2026 10:02 AM

62	Public transportation, continue to fund and improve schools, affordable housing resources.	8/6/2026 4:12 PM
63	Utilize the buildings we already have that sit empty for other companies instead of building, focus on supporting farmers and the farming community	8/6/2026 3:24 PM
64	I think there's enough growth. The traffic is already bad enough as it is and there are housing communities going up everywhere. We are losing wildlife areas and natural vistas.	8/6/2026 2:52 PM

82	To Bel Air	8/6/2026 5:35 AM
83	In the development envelope.	8/6/2026 2:27 AM
84	I honestly think you need to slow down future growth for awhile. I am very sad we are losing the Harford Mall. Why has this mall failed, but Columbia and Town Mall in Westminster survive? I believe the powers to be love overgrowth in Harford County. Do not erase our history or our past here, please.	8/6/2026 1:17 AM

111	Delaware	8/5/2026 7:47 PM

112	Land preservation. Harford County has expanded so much it's not the beautiful county that we had. Rt 24 is hideous and has become another crime corridor. Enough with the new growth-aren't you listening to us?	8/5/2026 6:28 PM

116	It should be directed into utilizing already existing but unused, empty retail spaces	8/5/2026 5:32 PM
117	We need a new middle/high school on 543 near James Run. We need more businesses and community supports for children with disabilities.	8/5/2026 5:15 PM
118	Along route 40 - plenty of worn out and ugly spaces that could be revitalized and reused for the better. No more vape and weed shops. Antiques, better restaurants that aren't chains, more places to take your dogs with you! And Churchville plaza - so much potential there and absolutely terrible business choices. No data centers. More green businesses - at least complementary business where one's unfortunate by-product would be for another business. Also, a boardwalk area along river with nice shops and businesses instead of housing so everyone can enjoy our gorgeous spaces by the river. We need more Kent Farms, Hopkins produce and brewery, and homeland style business where local goods have a space to thrive and earn dollars for the county and the business owners.	8/5/2026 5:15 PM

126	Growth in parks and recreation that preserves the wildlife and increase conservation efforts!	8/5/2026 3:25 PM
127	Keeping development to along the Rt. 40 corridor, developing more programs for youth, young families, seniors and struggling Veterans. Support HCPS but definitely audit their spending so that it is going to students, not central office staff. Stop development along 24/924 corridor, it's becoming too congested.	8/5/2026 3:06 PM

130	New growth should be in the PFA/development envelope. Growth in rural areas should require large lot sizes (5 AC min).	8/5/2026 2:48 PM
131	We should continue to support small businesses and invest heavily in education, both the K-12 schools and higher education/technical trades. We should also continue to prioritize supporting the most vulnerable populations, including children and seniors.	8/5/2026 2:39 PM

142	Not sure ..seems there is more than enough growth	8/5/2026 1:10 PM
143	Limit building in the mall area. We do not need a lot more retail stores when so much is taken over by Amazon.	8/5/2026 1:06 PM
144	Devlopment can be done on a gradual basis. I still don't know how those houses got approved in Forest Hill when the traffic is so congested. There needs to be more honesty in the development process. The citizens have to be notified and be able to express their view about development. I'm very concerned about the new head of the county council. He loves development but not improvement of our roads.	8/5/2026 12:38 PM

151	Education funding and programs	8/5/2026 11:33 AM
152	The route 40 to Route 7 corridor. We need to offer large incentives to replace old dilapidated structures on route 40 with new structures these would include high rise condos or apartments with integrated businesses on the bottom floor maybe even connect building via walking cover walking bridges over the road. We don’t need to expand the envelope and build on more virgin land if we can just repurpose land that is alreasy compromised. New buildings and our publicly owned building need to begin installing solar energy in all roof structures and over parking lots. This will reduce environmental damage, reduce energy cost for home owners and cut taxes.	8/5/2026 11:29 AM

153	In our schools. We don't need more houses or apartments. We need teachers and schools. The future starts there.	8/5/2026 11:29 AM

155	Increased traffic/bike infrastructure, local adult leagues for sports and community (Volo), putting flashing lights up for cross walks (especially at CMW on 543) encouraging people to walk to school/store with sidewalks and safe passage ways. Decreasing commercial real estate (why do we need more storage facilities?). Reducing abandoned, uninhabitable properties (Prospect Mill Road).	8/5/2026 11:19 AM

217	Southern district and Rt. 40 Corridor; small business; family programming and recreation; public and private partnerships; School funding to help support non-public placements for children that cannot safely or effectively attend public schools - this would help reduce teacher demands because so much teacher time is spent managing the few students who just don't belong there, but there is no other placement option - plus the other students in Harford County suffer with a learning environment that is not conducive to actual learning.	8/2/2026 3:24 PM

219	Growth should be reduced. That’s the problem. Too much is destructive. Youth here need things to do other than meth. Build indoor sports facilities, basketball is important but no where for youth to go!!!	8/2/2026 10:24 AM

221	Small pockets of areas where major roads exist already but keep commercial away from residential development and farm	8/2/2026 3:47 AM
222	This is tough because so many farms are selling and homes are popping up everywhere. This is removing some of the rural character in Northern and Western Harford but its still OK. Leave northern and western Harford alone and parts of southern Harford that are still rural. Please, as development continues, hold the developers responsible for the appearance of what they are building. It must fit the character of the location. For example those ugly high apartments built in Fallston along the BYpass and Belair road, and those apartments built in Hickory behind the Royal Farms. And keep with the character by preventing huge signs in front of stores in rural areas. A name on the store front wall is sufficient. Sorry about my ranting.	8/1/2026 12:06 PM

229	I think we need to support our school system and community bonds and safety. That will drastically change our future in harco as it's heading in a bad direction. You keep building communities and homes and retail places but not in schools and safety that keep the community. Harco is becoming divided mainly because of schools and crime.	7/30/2026 8:27 PM
230	Somewhere else. Redevelop areas that are underutilized	7/30/2026 7:55 PM
231	I don’t feel the Bel Air area can expand anymore and shouldn’t. Edgewood is a wonderful community and I’ve seen more attention to bringing businesses here and improving its overall appeal. It would be great to continue to expand employment opportunities here and add cultural and entertainment spaces.	7/30/2026 6:22 PM

238	Definitely around the 95 corridor. I grew up in Joppatowne and now live in Monkton (HarCo), so I have seen the changes for 40 years. We are a "bedroom" county, and I think growth should be focused along the main transportation routes. Honeygo Village-style neighborhoods would be really awesome. Central commercial zones surrounded by housing should be the future of development.	7/30/2026 1:23 PM

258	While I agree that growth opportunities should be limited it does feel like the Bel Air area is getting overcrowded and on it's way to feeling overly busy like Towson. Part of Harford County's charm is the rural feel and with expansion only focused in certain areas we are quickly loosing that. A slight expansion may help reduce over crowding in the Bel Air area.	7/29/2026 9:50 PM

280	Growth naturally directs along major routes of travel. We have seen over the decades growth spread North on 95, east of 95, then west on 152, then west on 22, then west on 543 and west on 155. Plan for this, we all know it is how it works. There is no "mystery" here to solve. Travel/commuting is how people survive. Keep some of our best healthcare workers near by with a better hospital system to work in. Farms will remain rural and can be designated agricultural but overtime some of these areas will need zoning changes when the population continues to grow. The county certainly appears to have an abundance of warehouses that should be used before new ones are built. Some of the development envelope will need to be expanded west if the county wants to grow and generate tax revenue.	7/29/2026 5:44 PM

Industrial zones with proper infrastructure alread in place is where ware houses, data centers, and so on should be considered.	7/28/2026 3:53 PM

335	This survey needs an area for free-form comments. I worry that when I mark that I want Ag preservation, that is interpreted as forcing farmers to be unprofitable. I own a farm with two hundred acres and it is very hard to make money as a farmer. We basically need full time jobs outside the farm to survive. The county doesn't allow us to build apartments on ag land, even though this is the #1 way to attract long term help. I'd like the county to be more favorable toward farm owners who want to offer event space for weddings etc. If I lease to a farmer growing corn/wheat/soy I make $110 per farmable acre which is about $15k per year. It isn't enough to survive without other revenue sources. I'd like the option to put solar on part of the farm to help with costs. If I put solar on just my worst land, which wouldn't affect my ag profits at all, I'd be able to pay the mortgage long term. The council should allow solar with stipulations - like a max % of the farm, or justify why the area isn't suitable for other crops, or show a plan for multi use (goats/cattle under the panels), and an agreement not to subdivide the farm while solar lease is active. This would help so much.	7/28/2026 9:55 AM

337	No more outward growth! Fill the empty spaces that already exist. Love the Harford mall project because it revitalizes the area without additional loss of natural areas and farms. We need trees and vegetation, not more concrete and asphalt. There are lots of storefronts that are empty in town and in many of the shopping centers that need to be filled.	7/28/2026 8:41 AM

346	Protect open land from noise, air, water population; do not allow open land to be utilitzed for data centers, solar or battery farms. Add solar panels for electric grid relief above public parking areas similar to IKEA in Baltimore County. Test this process at the public libraries and schools and county buildings. Plant trees...every county facility, park, school, and library should have trees. Provide discounted tree sales (shade or fruit) whips to any HC resident for their own property to create shade or fruit. Lead Maryland in agriculture safe havens. In our area, drop electric lines underground to stop outages caused by downed trees. Start a home solar program education and discounted bulk purchases for those who would like to convert. Lean into self-reliance as a county. More resteraunts like Burton's in Bel Air. Finally, political signs should have to be taken down within 7 days from election date, ruins the green space.	7/27/2026 9:41 AM

350	Towards park lands and 3rd spaces - community resources and gathering places. Not more pavement and big corporations. Small businesses lead by local owners that keeps the revenue within Harford County. Hard to say where to put more "growth". Rural areas should stay rural - it's the biggest draw to our area. And populated areas (Bel Air) need to keep the green spaces they have left. It's sad the forest that was cleared for Costco was cut down YEARS before any development was in the works. And sad the forest earmarked for the Maryland Center for the Arts was cut down with no progress besides a parking lot. Massive areas on Moore's Mill and 543 are in development - or stalled - when tight housing was just introduced off Route 1 and in Bel Camp...	7/26/2026 10:15 PM

We need facilities to take care of our young/middle age and elderly so we can live here our whole life. We need more Bob Hooper housing for families that are dealing with death. We need another hospital and the staff to fill it. You shouldn't have to wait 8 hours or more in the emergency room. The government says they want our input put yet they still keep growing our county where we don't need it and we tell you that. No wonder people are leaving. Growth should be directed overall to places that have outlived their current existence such as Harford Mall or other shopping areas on Route 1. Just because there is less desire for physical clothing or department stores does not mean the area itself isn't good for commerce. 542	Northern Harford, the southern route 40 corridor is full	7/21/2026 6:30 PM
543	Future growth in Harford County should be directed toward already-developed and already-served areas within the existing Development Envelope, rather than expanding into rural northern Harford or converting more farmland and open space. Concentrating growth where infrastructure, schools, roads, and utilities already exist will reduce sprawl, protect agricultural land, and maintain the rural character that residents value. New housing, commercial development, and even solar or industrial projects should be prioritized on infill sites, redevelopment areas, and underutilized commercial or industrial parcels instead of pushing outward into the county's remaining open landscapes.	7/21/2026 6:29 PM
544	Our bayfront seems like and underutilized asset…The route 40 corridor is in need of more places like Belcamp and the available rail terminal in Aberdeen is still a bit sketchy..	7/21/2026 6:19 PM

581	Keeping our agriculturual land. No to solar panels (people wont want to live in a farming county if there are no farms). A free place for people (especially teens) to hang out, like a mall. Expand the libraries and create a teen area, especially at Bel Air where many people can walk to that library and during the school year teens get dropped off. I am not sure how to answer 12, growth in creating places and activities for community members to gather. Shrink the development of ag land.	7/21/2026 1:37 PM
582	It should remain along the route 40 corridor, up route 24, and possibly expanding along routes 22 and 152.	7/21/2026 1:32 PM
583	Growth should be eco focused on eco and ag tourism. Prohibiting data centers, solar arrays and BESS battery storage systems that will use our water, take up green space and pollute our rivers. 588	Along the Route 7 and Route 40 corridors. The majority of the important infrastructures are there. It is close to I95. It is close to rail. The entire area can be redeveloped, updated with mixed price and mixed type housing but higher density housing..get out of this State and go look at redevelopment areas in Scottsdale, Phoenix, Vancouver, Seattle, Munich etc..we think SO small!! Look at the Paradise Valley Mall redevelopment- it is actually gorgeous and functional. Look at Kierland area of Scottsdale. High end, dynamic beautiful and busy! We are wasting the redevelopment of Harford Mall. Much of what has been posted looks tacky, and does nothing to create community. We could be utilizing our bay acces..but there is soooo little of it for the general public.	7/21/2026 1:15 PM

595	No more cutting down greenery. Build on sites that have already been developed	7/21/2026 12:41 PM
596	Education	7/21/2026 12:00 PM
597	I read that Harford is going to be surveying places like farm fiar, first friday's and farmers markets for the Harford Forward initiative. However, that is only a small fraction of people who represent our diverse county. And those people are probably more likely to share feedback, and are aware of county resources, since they are attending these public events. Those who are lower income, and not attending these public events needs their voice to be heard as well. New growth would be beneficial to those groups, too. I see Harford taking initiative to create more public events and resources. The local groups, orgs, and businesses that already exist and operate day-to-day need support and room to grow. Don't take over their spaces in the course of trying to create a more engaged County community.	7/21/2026 11:57 AM

649	There isn't room for more development in Bel Air and developing agricultural land in Fallston or Jarrettsville etc is a horrible idea. You can call it "growth" like it's a good thing, but it isn't. It's like we're in an overcrowded city when we're in Bel Air. Trying to turn out of our street is dangerous at certain times of day due to the increased development around us. We would also be extremely upset if the trees and necessary habitat around us were destroyed in the name of "growth".	7/20/2026 8:10 PM
650	Unsure of individual communities'needs, but am strongly against solar panels on farm land... buildings ok...ruins ag character ..like techno land AND would like to see smart AI center growth.ban may not be realistic. 690	First, before any growth, a logical plan for roads, schools, and healthcare should be developed to deal with the increased growth. As far as where, that depends on what is being built. Growth should be very strategic. Also, please remember that the people in the Abingdon, Riverside, and Perryman areas of the 40 corridor also want nice communities, not just continued building. We want open spaces, clean and safe communities. We are tired of large warehouses and industrial building up. I would really limit industrial building up in Harford County, period. Focus on shopping centers with character and green spaces within them, restaurants, housing, and parks and entertainment venues that the community can enjoy.	7/20/2026 4:15 PM
